Goal:

Never before in history has man had to face the degree of complexity thrust at him with today's world. The man of the 70's must be more keenly aware of his environment and his own faculties so that he may face the problems that confront him. Those who insist on archaic methods will be left behind. Education is the pivotal vehicle that can either enlighten man or set him back. Given the surroundings that prompt knowledge, the individual can advance his own cause by utilizing the resources available to him and profiting from his own experiences. He has the choice of working as hard as he wants to, and if

he takes full advantage, the rewards are fruitful.

A similar impetus is projected into the philosophy of Patrick Henry High. And there are many different ways to reach a goal. One such tool is the learning packet, a child of modular scheduling that has rendered assistance to inquisitive students on numerous occasions. Structured in the form of the learning packet, ENCOUNTER '71 hopes to project the spirit of the free learner who has sought a goal and has succeeded through perseverance, his own ability, and his ability to take advantage of his opportunities.

I Shall Live My Life

I shall live my life In truth
not in the dungeons of ignorance
for the spirit of a man
cannot be chained.

I shall live my life bravely
though there be those
who call me coward
my life is not theirs to name.

I shall live my life in freedom
for to serve another man
is to neglect myself
and my purpose.

I shall live my life in beauty
seeing always something
holy in each thing
living or dead, large or small.

I shall live my life in pride
for to live in humility
with downcast eyes
I could not see the sun.

I shall live my life with nature
for without the air to run and breathe
the body suffocates
and the mind dies.

I shall live my life in magic
for if all things were known
and enchantment were explained
there would be less reason for living.

I shall live my life privately
for to be marked
by the yardstick of another
is not the measure of a man.

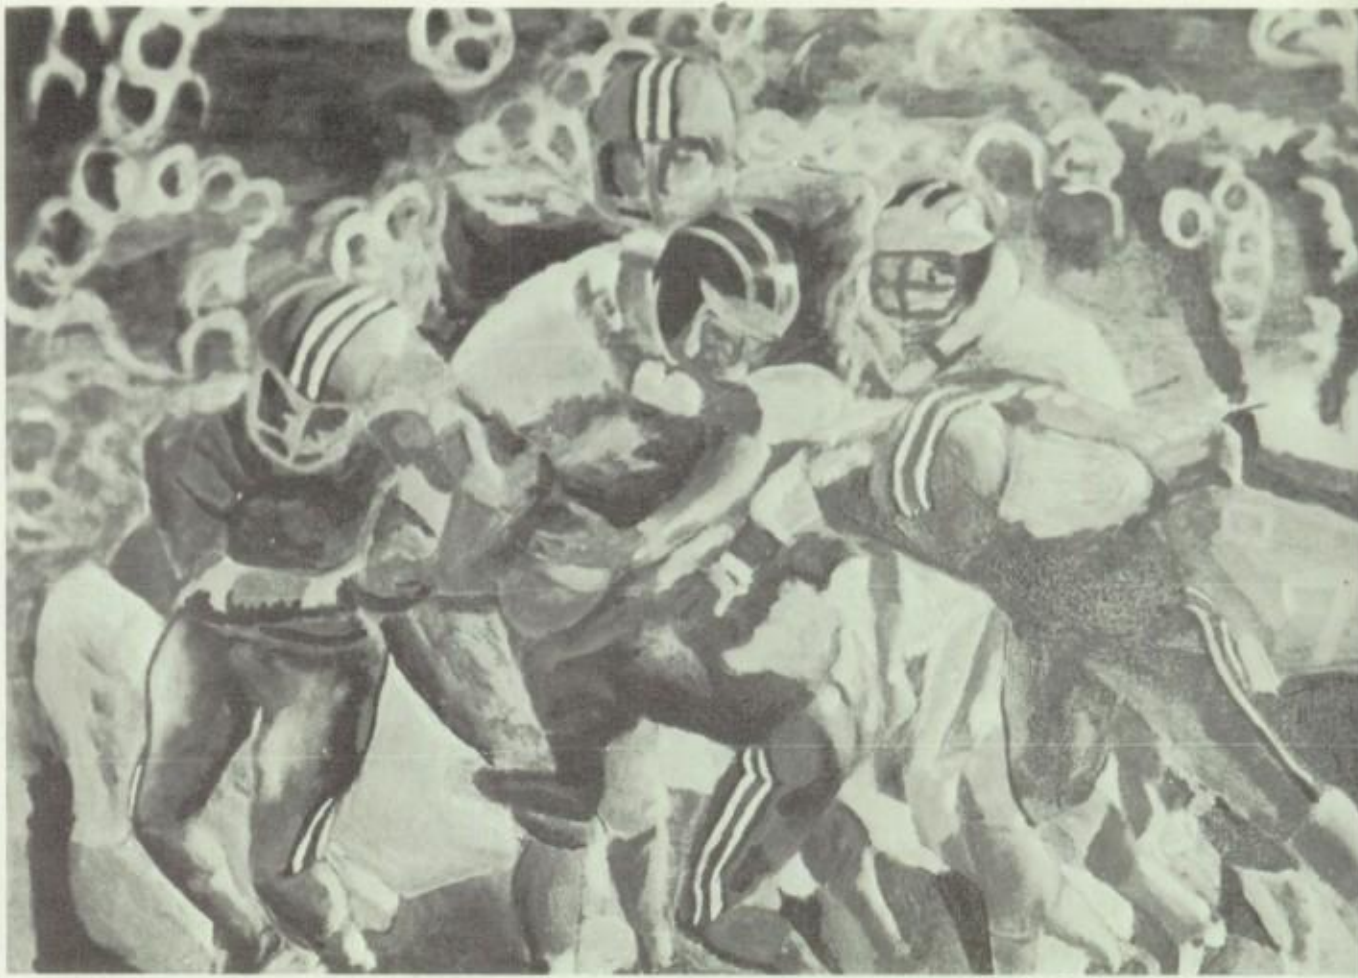

I shall live my life always
savoring each moment
as though it were the last
so I shall die with a smile.

I shall live my life in love
only if she shall know these things
and if I shall know these things in her
there is only love.

I shall live my life in wisdom
if I remember this song always
for if I forget it even for a moment
I am a fool.

I shall live my life
or I shall not live at all
for a life not mine
is not a life worth living.

The commissioners: Andy Puleo, Mary Ann Mahr, Vivian Camberg, Van Kessler, Marilyn McVay, Karen Seigel.

Gary Davison—Junior class president, and David Plaut—Senior class president.

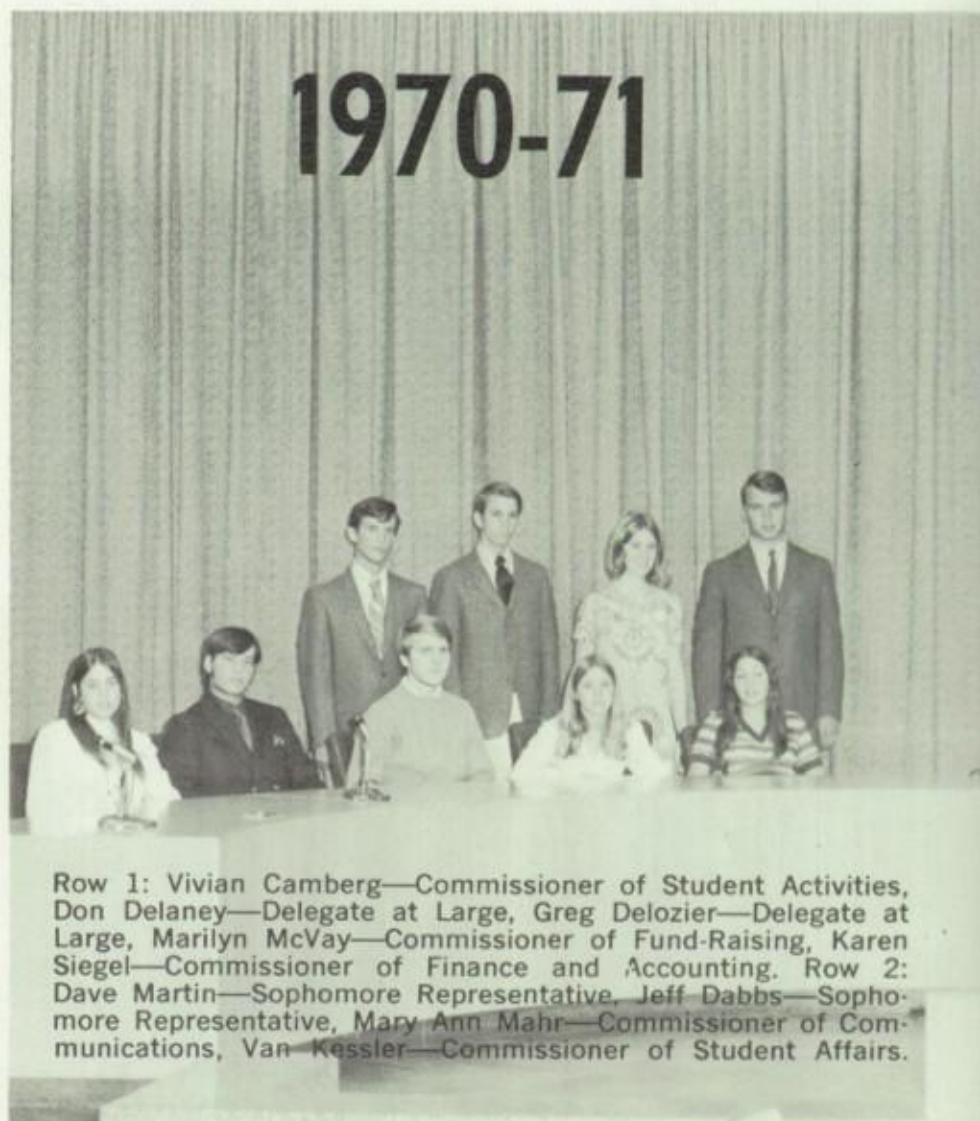

Along with the change in Patrick Henry's educational system, student government has also undergone reform. The many new offices have been filled with bright new politicians with the drive and belief that the 1970-71 year will be fruitful and successful. All the cabinet, including myself, wish that the time you have spent here at Henry will prove to be profitable in our future years of life. The cabinet enjoys the work set up for us by our advisors, our fellow students, and the community.

Patrick Henry's New Look

P.H. is an experimental school, and with the experimenting of different systems you have to try to figure out what was bad about the system and don't use it again. The good features you save and put them in another more perfect system. It's true that we have encountered many problems this year, but I think that working together, the students and teachers, have overcome most of these problems. I've learned that I have to motivate myself to learn, because if I don't want to learn there is nobody who can convince me that I should.

Paul Lovelace

Through whose eyes are you looking? With whose judgment do you see justice? Whose feelings can express those of your own? No one person can make judgments that affect everyone. No one could hope to express the thoughts of everyone. Our school is 3,000 different people, each with their own opinions on Henry's new school system. I don't think one can judge its worth by "good" or "bad." For you cannot judge by appearance and we have yet to make a showing.

Education through Experience

Exploratory work experience is an educational program limited to twelfth grade students only. It is a non-paid opportunity to explore a career area of the students choice. Employment hours are usually two hours per day, Monday through Friday. Through my association with Ken Overstreet and Youth For Christ as a ministerial assistant, I have learned much that cannot be learned in a classroom. The exploratory work experience program has been a start for me, and I hope that I will be able to continue my association with Youth For Christ and Campus Life after I graduate. I invite anyone who is interested in finding out more about this rewarding experience to contact the career development counselor.

Being a cheerleader is:

Trying to catch the football on an extra point and falling down.

Doing the "Stripper" and finding everyone is finished, except you.

Getting so excited you can't control . . . yourself.

The excitement of our very first homecoming and getting our insides jiggled riding in John's truck.

Enthusiastic loyalty is the basis of school spirit. Going to football games and cheering 'til you're hoarse, attending gymnastic meets and silently urging your team on to victory, contributing free time to such things as the yearbook, Patriot Press, A.S.B., clubs, and various other school-oriented activities all exemplify school spirit. Most kids at Henry have some sort of school spirit. Although most of it seems to be directed towards football, there are still countless Patriots doing the behind-the-scenes work that is so necessary for the continuation of the excellence of the Patrick Henry tradition.

The 1970 homecoming court and escorts

Being a part of our Homecoming brought a feeling of unity with fellow students to myself, as well as to the other girls. Each member of the Court felt honored and thrilled with the idea of having been "selected". I'm sure I felt as nervous as Debbie, Kay, and Mary did when we were waiting for one of them to be chosen Queen.

It was fun being Sophomore Attendant. Being with the other girls and meeting new friends was really great. I wasn't nervous that night — I was too excited. Riding in the parade and hearing the Queen being announced was the best part of the night. I was glad to represent the sophomore class and I thank them for giving me such an exciting evening.

International Dinner

With all the food, busy caterers, and an overwhelmingly hungry crowd, Patrick Henry cafetorium resembled a combination of the 5,000 and Coney Island on Sunday afternoon. A.F.S. bypassed the difficulties in a moment though, and everyone received a full course Spanish, French, Mexican, German, and Israeli dinner. With the meal downed, and a cup of coffee in their hands, they received the stage show with great enthusiasm. The entertainment included such popular acts as Israeli folk songs, popular Spanish dances, the Can Can, straight from Paris, and an original German combo. Such greats as the infamous Paul Booker, the ever popular Morales sisters, and the talented Rocio Morla brought the house down. As usual, Ernest Trice is surrounded by girls.

In October the world famous girls' basketball team of P.H. was gathered together. The femmes invented secret plays, which included piggy-backing and dropping the ball through the hoop. Each time the ball hit the rim the girls accumulated two extra points. An honest basket every now and then added to the increasing score. The femmes, forced to send in reserves entered 10 players on the team. The game tied in the 4th quarter and went into overtime. The boys won, killing the women's lib movement for this year.

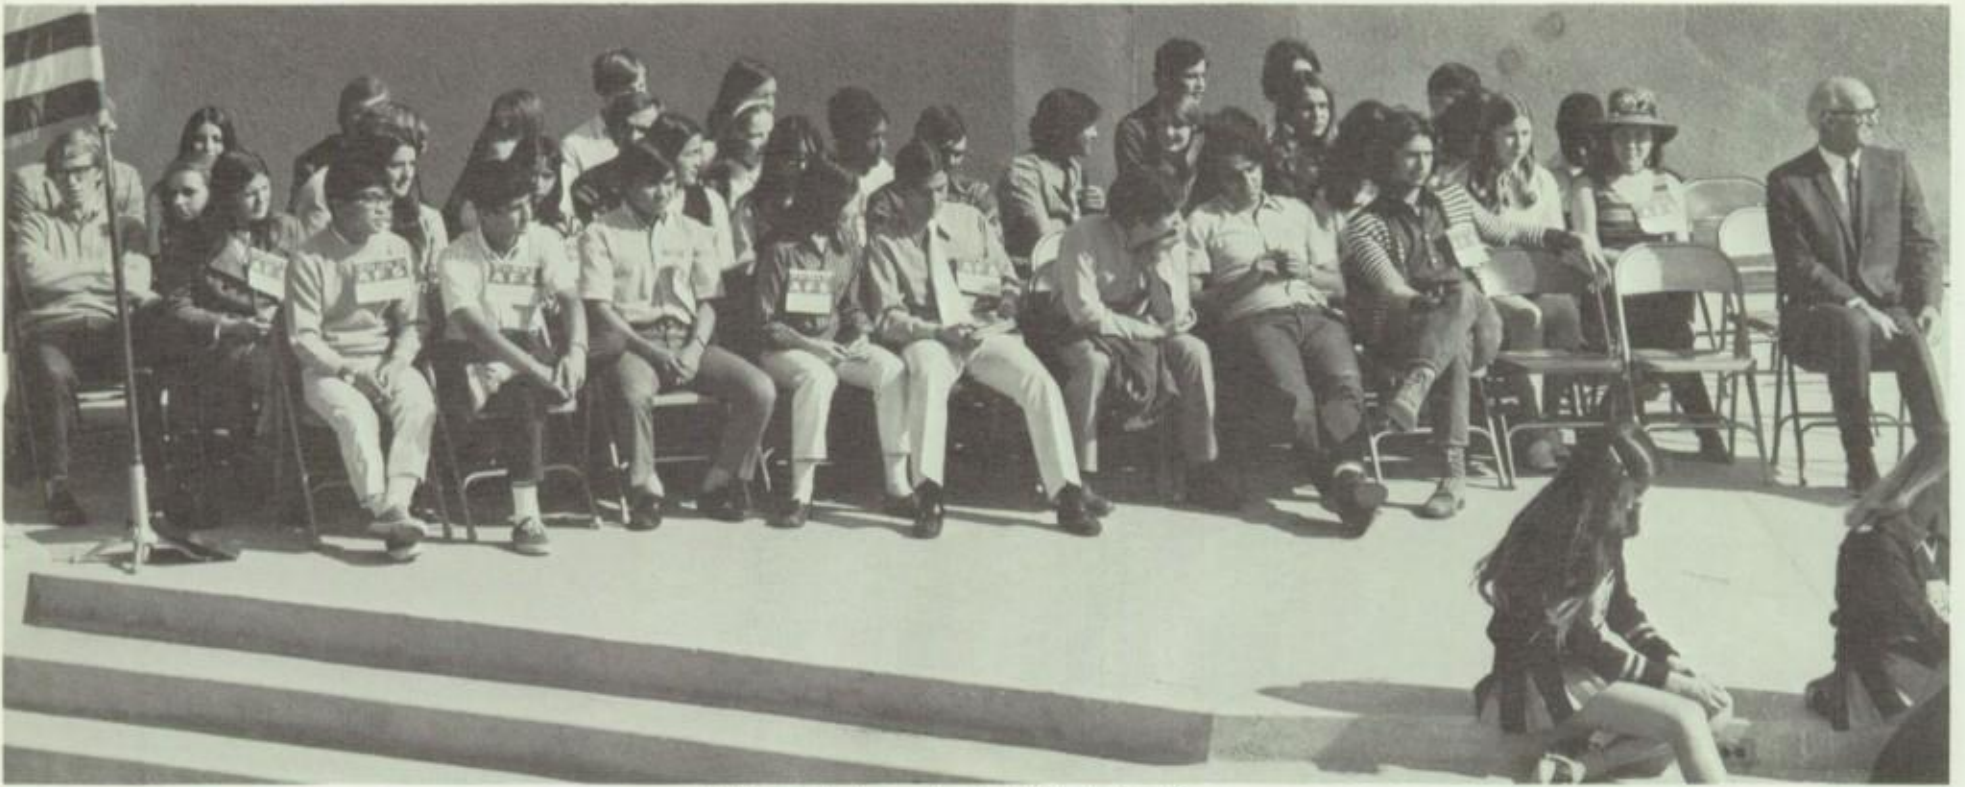

On February 5th the "Wacky Faculty" of P.H.H.S. took the court with the fabulous Harlem Clowns in a comic basketball game, sponsored by the art department as a fund raising activity. The antics of this team had the audience in stitches. Some outstanding "Wacky Faculty" players were "Jungle" Jim Cooper, "Firehouse" Fritz Ziegenfuss, "Jazzy" Lary Janson, "Tommy Gun" Pirazzini, and "Pistol Pete" Gumina. February 5, 1971, 41 foreign exchange students from all over San Diego attended an A.F.S. weekend at Henry. Friday an assembly was held for them. They were introduced to the student body and then entertained by the foreign language department, dancers, the song and cheerleaders, and the pep band. That night, after the basketball game, the adult chapter of A.F.S. sponsored an after-game dance for the students. Saturday our guests were invited to a picnic at Lindo Lake Park, and that evening they returned to their homes.

Future Scientists Strive to Reach...

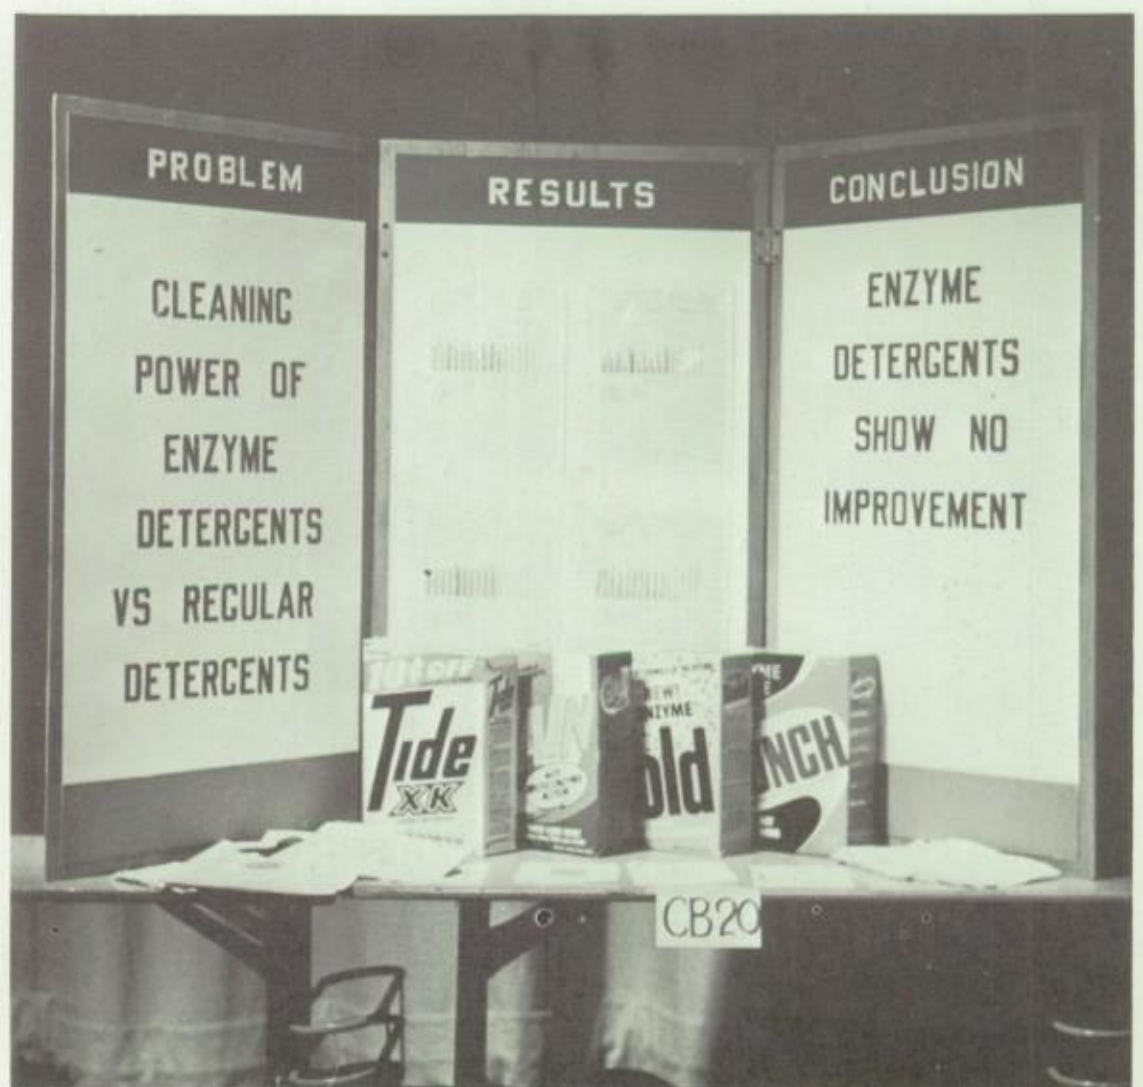

We at Patrick Henry are extremely proud of our student body. Our participants in the 17th Annual Greater San Diego Science Fair truly upheld the honor of our school by distinguishing themselves in all categories. The list of P.H.H.S. winners includes: Margie Stone — Zoology, Ronald Nachman — Microbiology, Kenneth Ginsberg — Medical Sciences, Steven Solomon and Jeffrey Herz — Psychology, Paul Steen and Amy Wind — Engineering-Electronics. Patrick Henry selectees for Scientific Organization and Professional Society Awards includes: Timothy Jenks — American Society for Metals, Nick Mouratides — Aquarium Museum, Scripps, Institute of Oceanography, Margie Stone, —Environment, Paul Steen — Institute of Electrical and Electronic Engineers, Robert Pancheri, David Gallina, and Edward Betts — Instrument Society of America, Jeffrey Herz and Steven Solomon — San Diego County Psychological Association, Paul Steen — National Aeronautics and Space Administration and Electronics and Communication. The Science Fair is the culmination of many months and in some cases several years of hard work for the participants. In most science classes students are encouraged but not required to do an out of class research investigation. However, advanced biology and chemistry students are required to do an investigation the first semester as part of their laboratory work. Some of these students continued their investigation for entry into the P.H.H.S. Science Fair. The projects which receive special merit by the district screening committees are sent on to the Greater San Diego Science Fair. Standards for judging science projects are: creativity, scientific approach, technical skill and workmanship, thoroughness, clarity, and dramatic value.

My first impression as Lucho and I arrived at the A.S.B. ball was amazement. The false ceiling created by suspended crepe paper helped to give the gym an intimate atmosphere. The silver mobile and the fountain punch bowl added to the mood. The "New Emergency Exit" was really great, they were versatile enough that Lucho and I even waltzed. I'll always remember what a good time I had with Lucho at the 1971 A.S.B. ball.

Black Magic and Politics

After the success of a show like "Curious Savage," Mr. Wyman has the audacity to say to the Drama class, "Don't be anti-climactic with your next production!" Somehow, "Bell, Book, and Candle" produces the same grandeur eminent of so many foregoing plays at Patrick Henry. Establishing a production and having it succeed is, of course, "run-of-the-mill" for Mr. Wyman. What is not ordinary, however, is the thrust-arena type stage constructed by the class recently. Playing to sell-out crowds, the actors of "Bell, Book, and Candle" would at times come within two feet of the viewing audience. Everyone is up for the play. It is ten minutes before they bring up the lights. Backstage cast and crew members are still working rapidly, when word arrives that there is not a single seat left in the house. Now the question is: will they like it? Playing the romantic leads are Sally Madsen, as the beautiful young witch who casts her spell causing the handsome young publisher (Brian McKay and Joe Teague) to fall passionately in love with her. But as usual, "love" casts its

own spell on her. Very tender as well as comical moments arise when human emotions overcome her ability to recede from the witchery of passion. Mischievous warlock brother Nicky (Ray Kalanquin and Gary Herlbach) does his share to mix things up. Adding spice is vivacious, but erratic cousin Queenie (Connie Prantner and Marilyn McVay). Then there's the totally mixed-up and confused pseudo-hippie writer, Sidney (Howard Robinson and Larry Morgan). The lights go out at the end of the play. The people begin to applaud. The actors come back on stage for a curtain call and the audience is standing for them. The actors and crew are happy. The director and teacher assistant, Candy Chappell is happy. Mr. Wyman is happy. But most important, the audience is happy.

Antigone (Eloise DeLeon) is abducted by a palace guard.

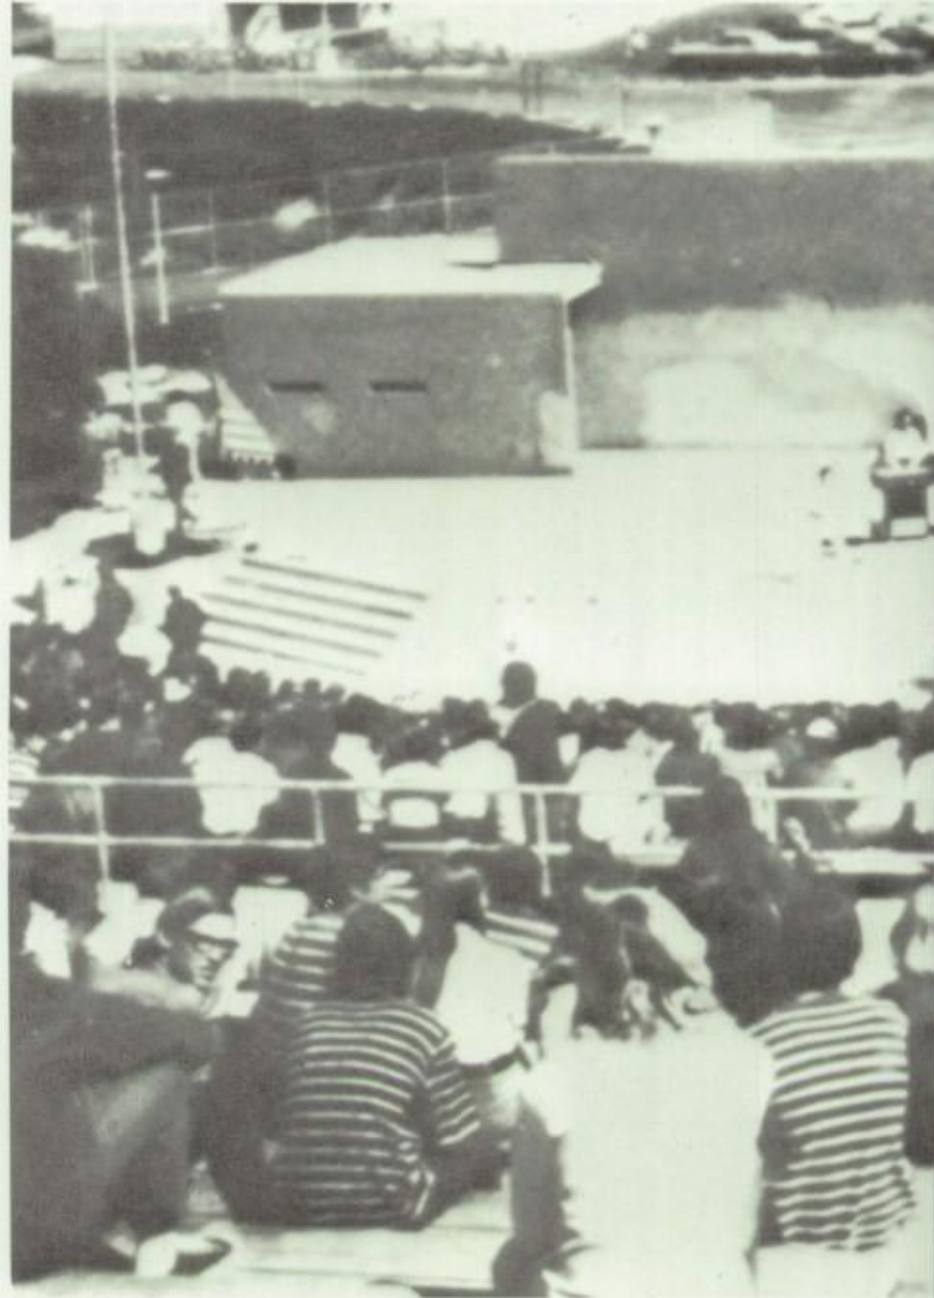

Antigone was a very good example of what the production class is capable of doing. Excellent acting and hard work back stage made Antigone the success of the year. Exciting performances by Eloise DeLeon and Carol Press as Antigone and Jeff Dabbs and Mr. Wyman as Creon added interest and captivated the audience.

Carousel Dance Spiced with Ginger

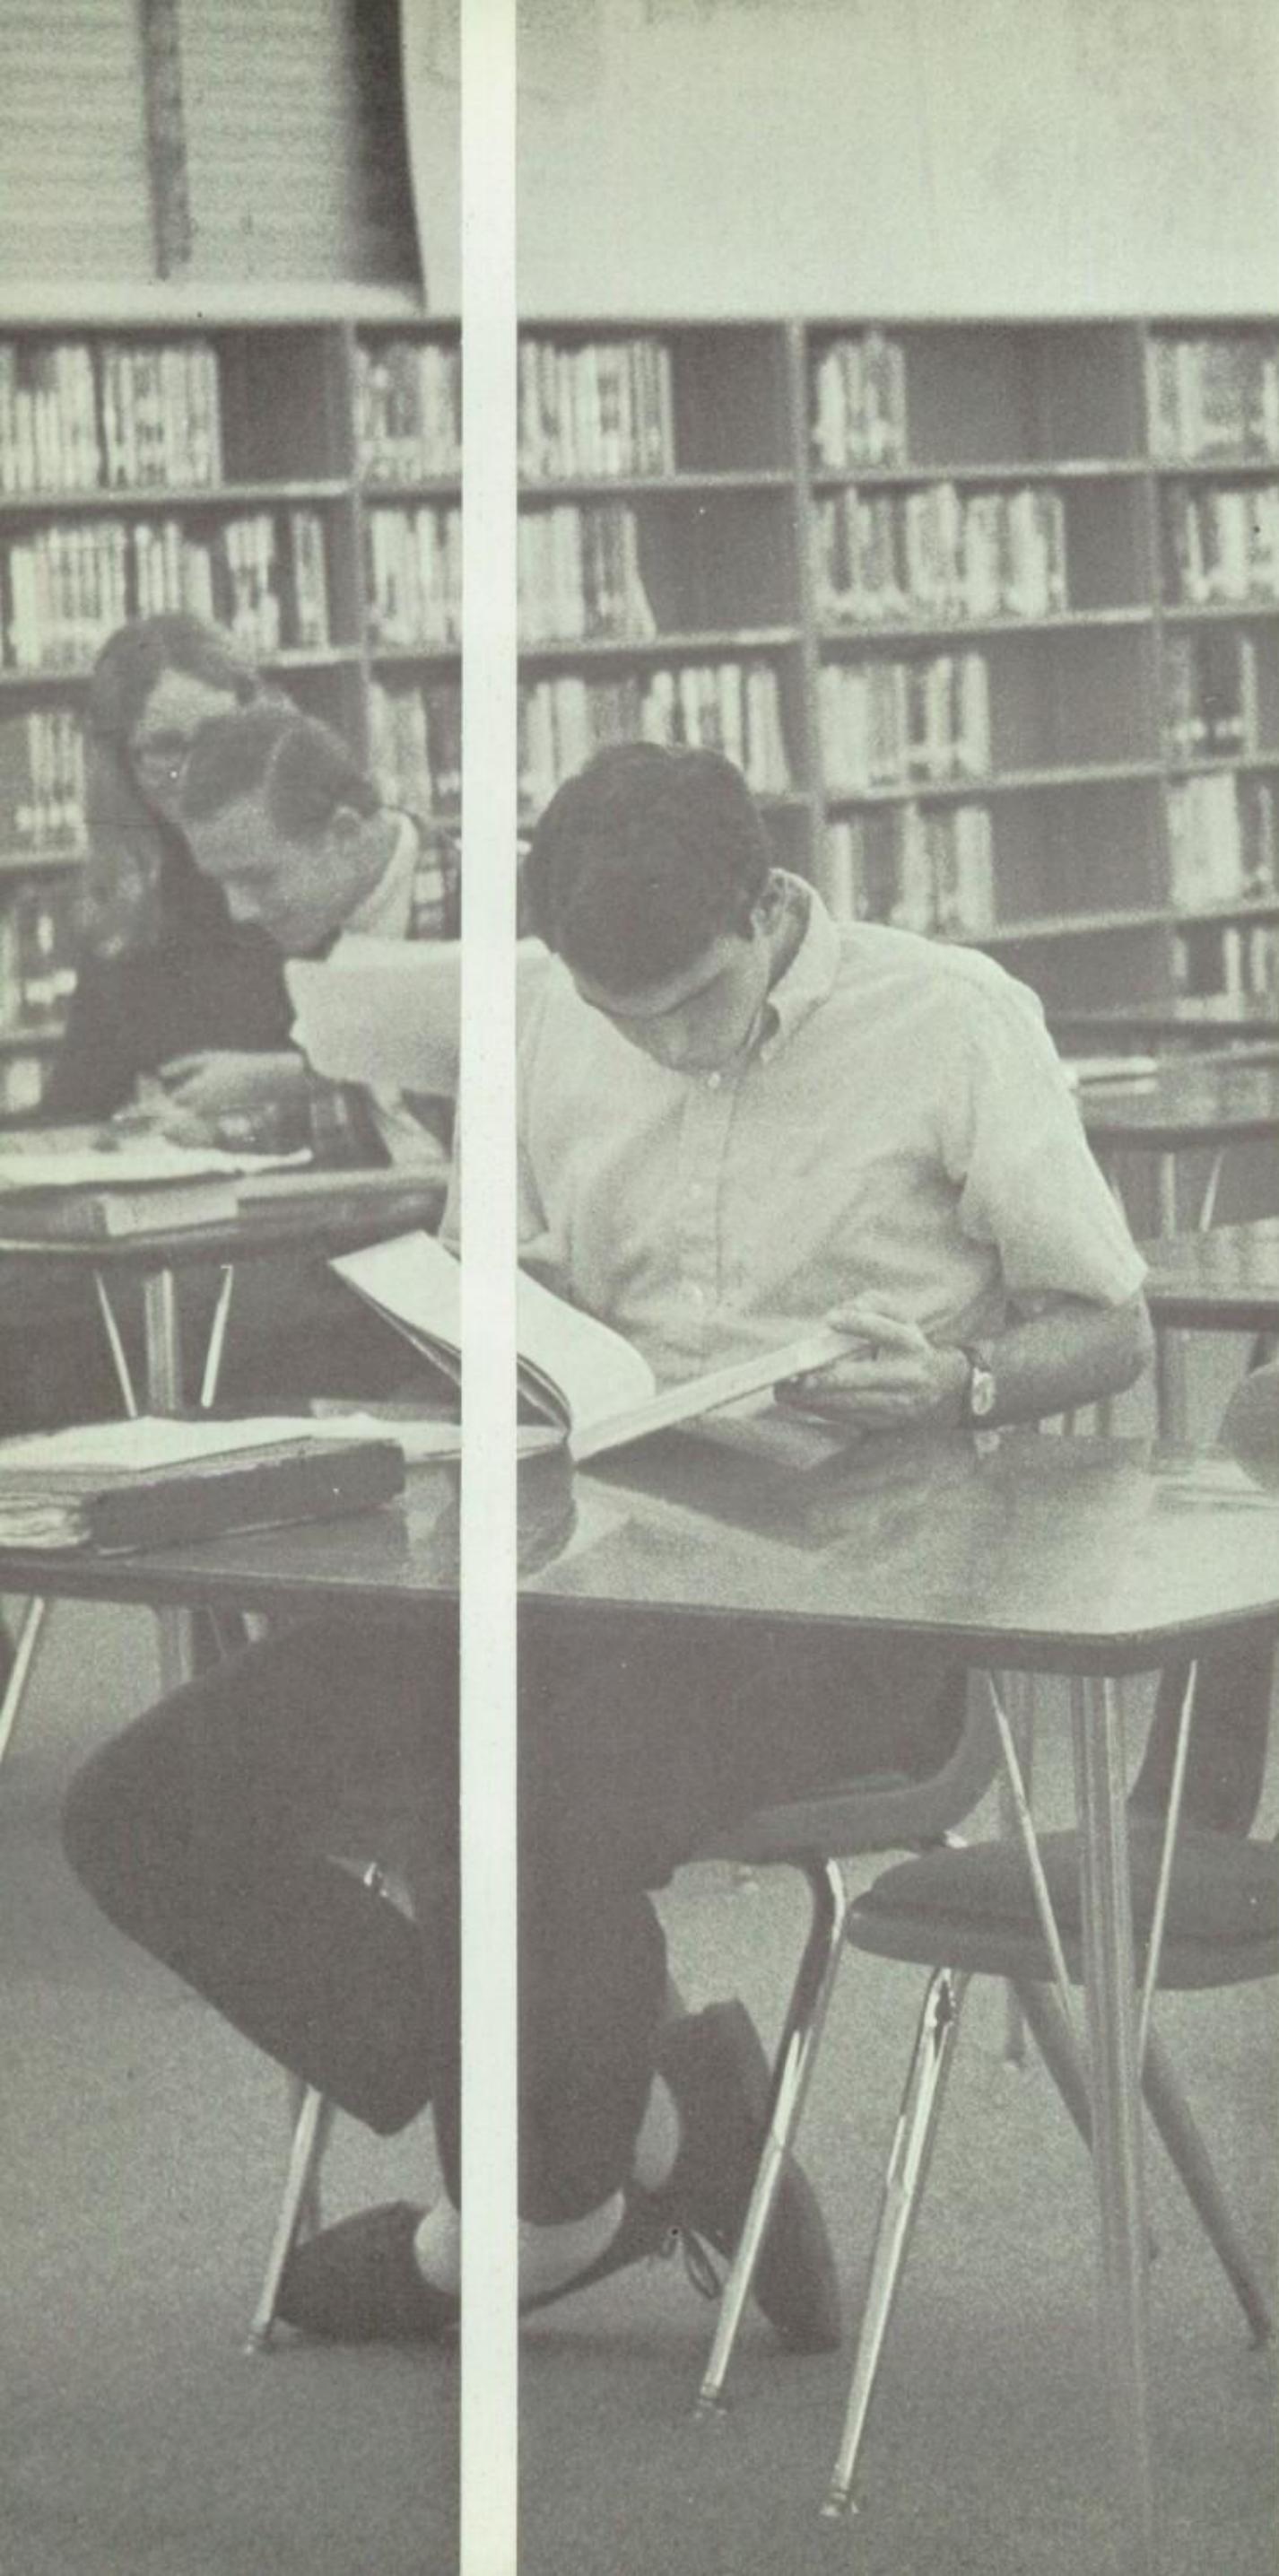

The semi-formal attire set the pace for a nonchalant, but nonetheless enjoyable evening at the "Carousel of Stars" Y-Teens dance. The Masonic Temple was the ideal setting for the annual girl-ask-boy festivity held this year on March 20. The numerous couples danced to the tempo of "Solid Brass" and the "Syndicate." Two of Patrick Henry's alumni, Patty and Peggy Rogers presided over the highlight of the evening—the crowning of the queen. She and her court were chosen from among select attendants representative of San Diego high schools. Before-hand each couple cast their votes. Representing Patrick Henry were Kathi Strozza (10), Mary Ann Mahr (11), Chris Rieden (12), and Libby Whitworth (12). An atmosphere of success and contentment could be felt by all. Truly a happy occasion, these memories of smiles and laughter will last forever. . .

Debi Weber

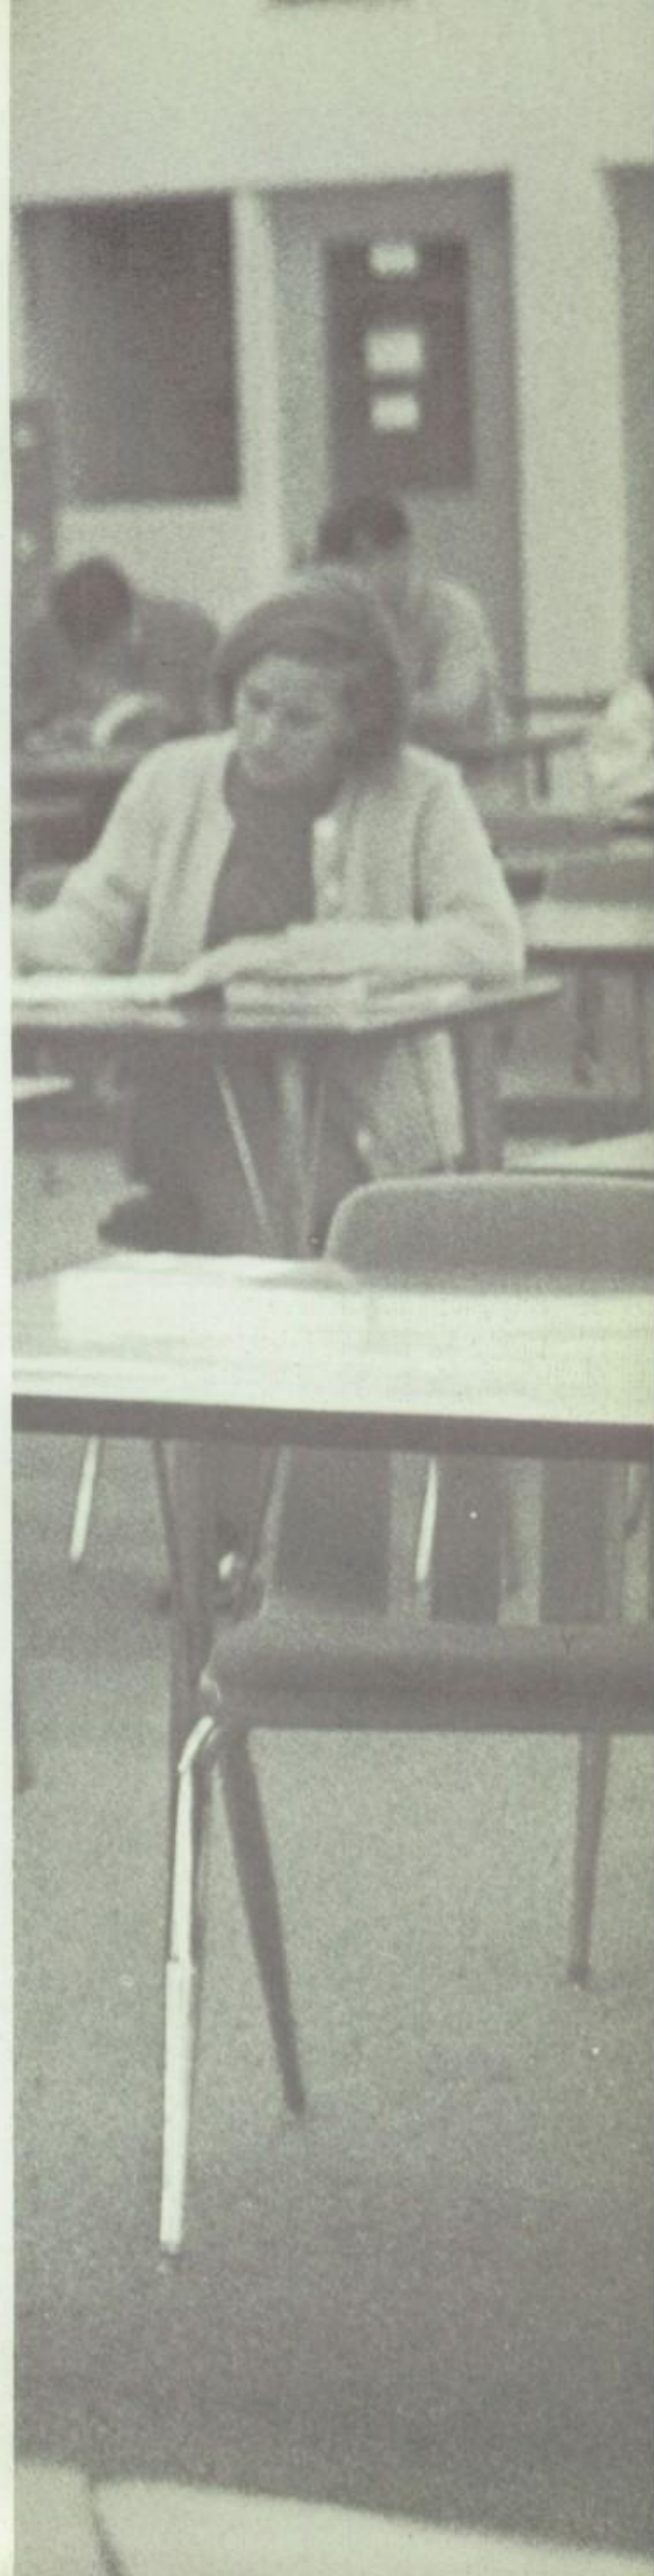

I have found that in directing "Time Out for Ginger" not only must I concern myself with the actual play, but also with the actors. The actors must be motivated to portray the characters in a believable manner. It takes a special skill to work with people the way a director must work with the actors. There were times when I have been discouraged and upset, but all-in-all I enjoyed working on this play and I hope the actors did too.

Seniors—The Last of The First

In the course of three trying and perplexing years, the seniors of the Class of 1971 have distinguished themselves in many scholastic areas as well as in school activities. Our fund-raising projects and hard work have helped us to finance the senior prom and other special events, and the sale of senior dues cards helped to pay for such items as the caps and gowns, yearbooks, and luncheon bids. In addition to the senior luncheon, some of the more memorable events that took place were the Senior-Faculty Game, Patrick Henry Night at Belmont Park, and our world-famous sales. The short-lived pretzel sale was one of the more "memorable" occurrences, as we ended up minus \$12.75 and a bag of soggy dough. But from here on seniors will be attempting to make dough, not sell it as the last of the original Henry student body finally leaves the school.

I'LL CATCH THE SUN

I'll catch the sun
and never give it back again

I'll catch the sun
and keep it for my own.

And in a world where no one understands

I'll take my outstretched hand
and offer it to anyone

who comes along and tells me
he's in need of love.

In need of hope or maybe just a friend.

Perhaps in time I'll even share my sun
with that new *anyone*

to whom I gave my hand.

WHO CARES

Who cares
about the wind that blows
The tide that flows
Or a child that grows
Who cares

Who cares about
Running in the sand
A reaching hand
Or a bent old man
Who cares

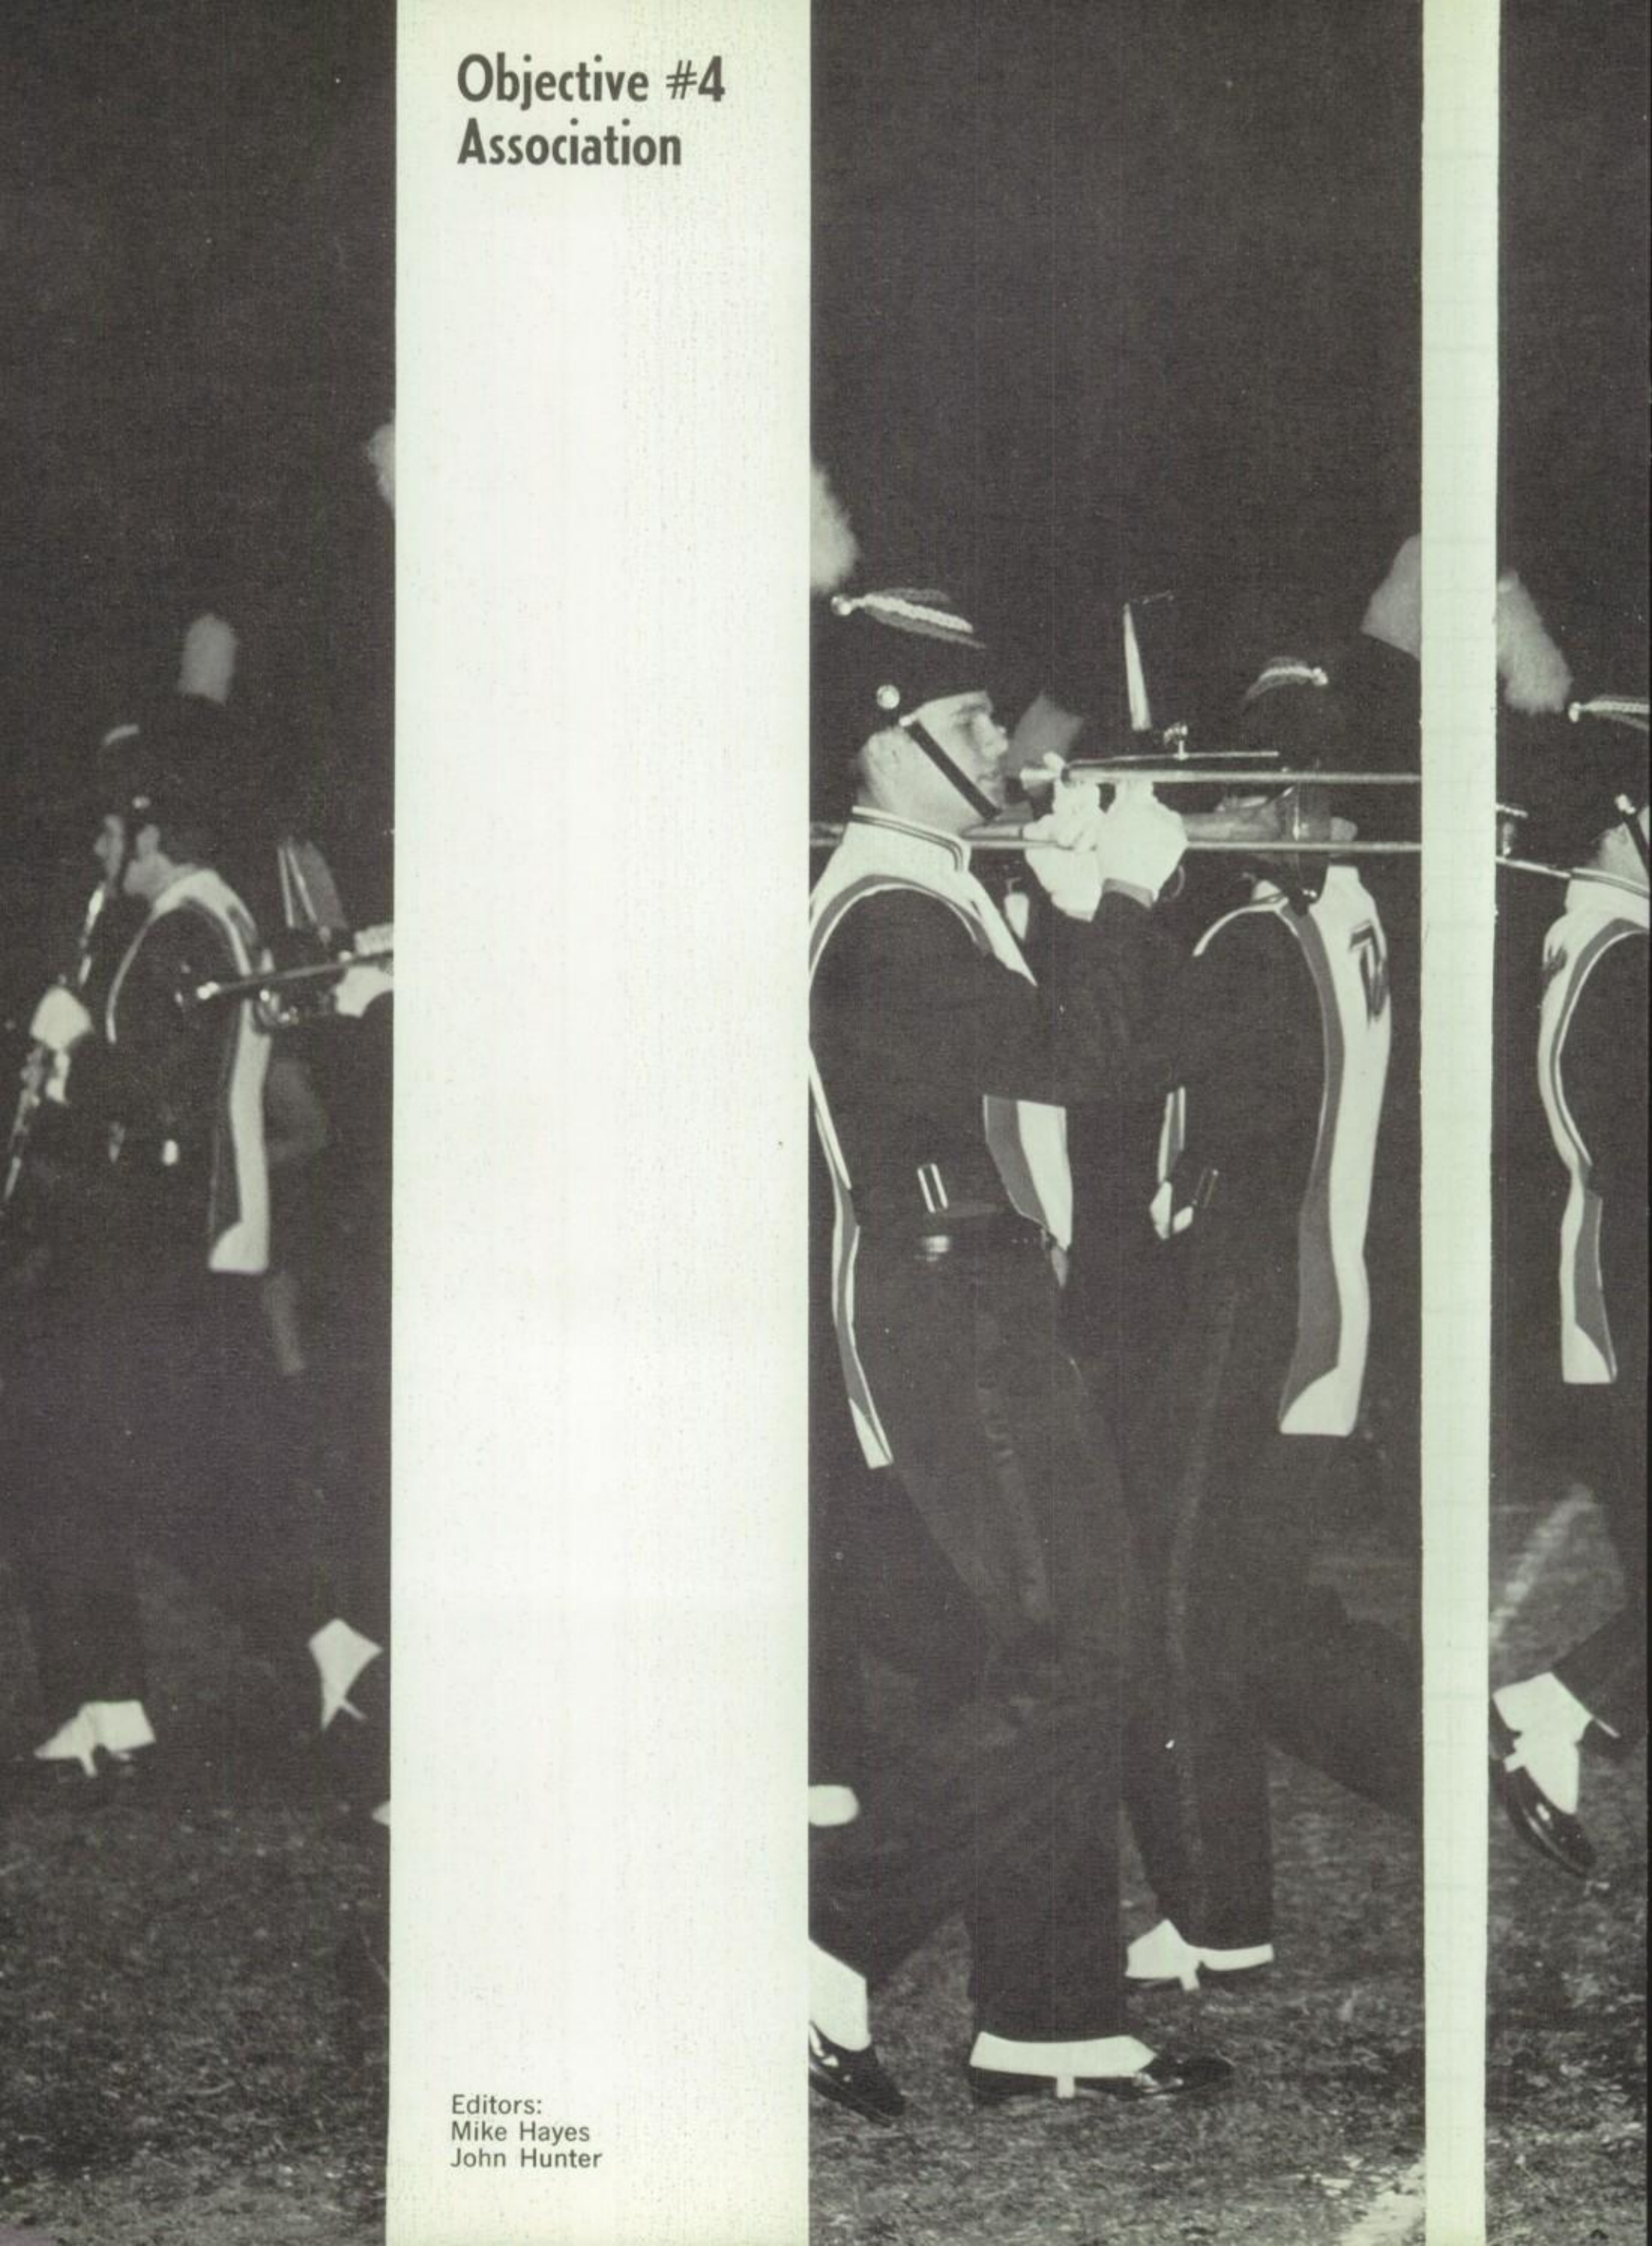

What will it take
To realize
You'll only learn to care
When you'll open your heart
and be there
When somebody needs you
Does somebody need you

Who cares
about the world today
So many people
Rushing different ways

I care

The Times Have Changed And So Has Encounter

Usual disarray.

Diane Adamczyk laughs at Mike Hayes' frivolous attempt to sort pictures.

Being a member of the Encounter staff is a very time consuming, (You are practically absent from all your classes except yearbook when deadlines approach) frustrating year-long project. It's full of headaches, heart attacks and frazzled nerves when things don't go right and when the almighty deadlines aren't met. It takes dedication, hard work, determination, fist shaking, nerves of steel and an awful lot of teeth gritting to make the book a successful one. Despite it all yearbook is loads of fun!

Three short years ago a group of unexperienced sophomores and juniors got together in 509 and began work on a yearbook. The first Encounter was a crazy-quilt text, packed with errors and mistakes. Most of the kids came back last year and made Encounter II one of the finest books in the city. Here now is the third edition and as the last pioneer left from the lunatics of Encounter I, I can say this product is the best ever. The attitude and efforts exerted by this year's staff are just as enthusiastic as those of the kids who started with nothing but a goal to make the best annual around.

Mixed Choir

Choir

The choir is the largest of the choral groups. There are four sections in choir: bass, tenor, alto, and soprano in which the students are put into their right vocal parts. Anyone may join the choir, just by seeing the choral director. The choir also sings for various organizations, but we are involved more with the competition at festivals. We participate in other activities, such as, choir camp-outs and parties.

Girls' League For Liberated Ladies

In order to bring the girls of the school closer together, Girls League was initiated. Mainly a service club, Girls League objectives are to avail services to promote better understanding in the school and community. Each month the girls pick a girl who has best been of service to the school. Chairman of committees, organizers, president of clubs, are their main prospectives for "Girl of the Month." And each year the girl who has been of most service in the eyes of the League committee is chosen "Coed of the Year."

The '70-'71 Girls' League cabinet relaxing on the grass from left to right: Barbara Atterbury-Secretary, Laurie Muncy-Treasurer, Debi Weber-Dance Chairman, Sue Scott-Girl of the Month Co-chairman, Kay Gould-Social Chairman, Terrie Carlson-President, Marsha Jordon-Vice President, Wendy Rhodes-Publicity, Julie Schoppert-Girl of the Month Co-chairman, and Debbie Hall-Fashion Show Chairman.

The Patrick Henry Speech Team finished this year's activities with its finest record ever. Continuing its excellent competitive reputation by capturing first place in city competition for the second straight season.

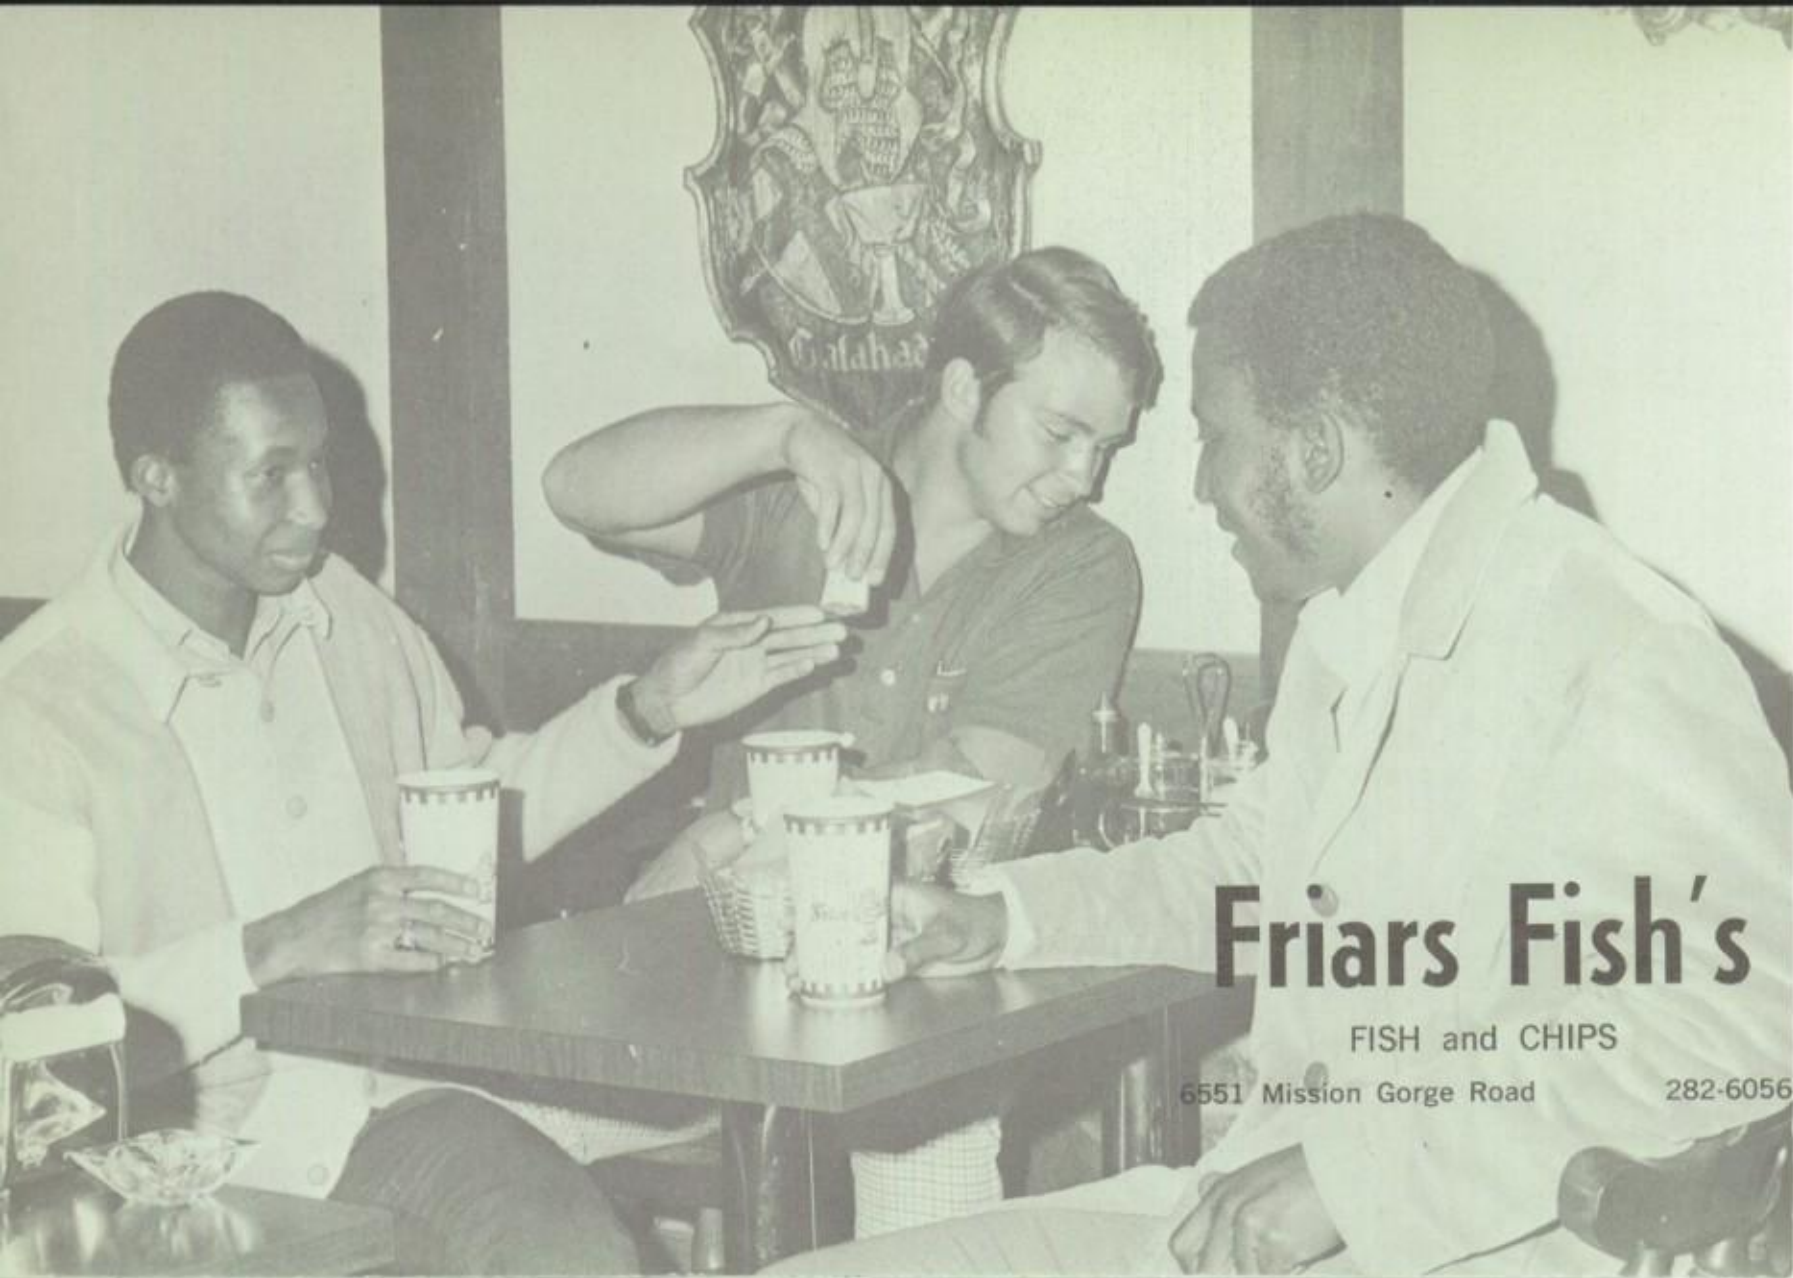

For members, the Speech Team takes a lot of effort and personal time. In preparing for meets throughout the county, team members work constantly raising funds for entry fees by selling candy and organizing themselves in the spirit of learning and competition.

Honored Athletes

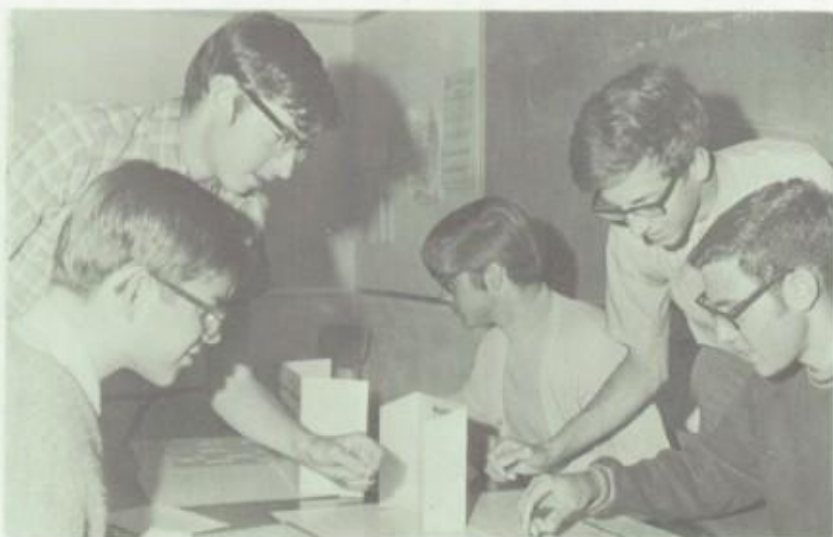

The Letterman's Club would be considered by most, to be inactive this year; however, they have been very helpful in school services, such as the selling of concessions and the raising of funds for athletic equipment. Letterman possess ability to readily activate themselves if the issues at hand call for decisive action. The Letterman's Club does in fact possess a common bond—athletes who have dedicated themselves to making Patrick Henry Number 1.

Question: Will The Student Body Let Patrick Henry Die?

By [Name]

When asked about the student body's reaction to the proposed Patrick Henry statue, the student body's reaction was mixed. Some students felt that the statue was a symbol of the school's history and should be kept. Others felt that the statue was a symbol of the school's past and should be removed. The student body's reaction was mixed.

While striving to inform and entertain, the Patriot Press has also stirred controversy on campus. Starting out with an inexperienced staff and limited funds, the members of the staff created a newspaper concerned with problems important to the student, rather than being content with the format of typical high school papers.

Kit Carlson—known for writing stories that knock-'em dead, honey.

Marilyn Magdelyn—the famous Shakespearean actress, known for her passionate and romantic performances at the typewriter.

H. (Hemmingway) Jones—the great newspaper writer and author, one of the more creative people with words.

Daisy Mae—when she's not pitching hay on the farm she's writing our front page news.

Morton Picasso—the one and the same, the creative godfather who takes time off from splashing masterpieces on canvas to masterfully lead the staff.

Dave "Money Bags" Capes—with shifty eyes and slippery hands, Dave is the money manager who keeps the syndicate rolling.

Half-an-Acre—has been known to swim that far. New to the newspaper field he has already made a big splash.

Wilson Head—Mr. Socialite and reporter extraordinaire.

Kerry Deanie Baby—the child prodigy of sports writing when not clutching his stuffed mutt.

Abbie Hoffman—the monster revolutionary who has inflamed us with inspiration for a brave new press.

Summer Days and Foreign Countries Included Various Foreign Accents

By Mary Hoffman

When the sun is shining and the air is warm, it's time to think of summer. But for many students, summer is also a time to think of foreign countries. The Patriot Press staff has been busy reporting on the various foreign accents heard at the school during the summer months.

In the past, the staff has reported on the accents of students from France, Italy, Germany, and Japan. This year, the staff has added a new section called "Foreign Accents" which will feature stories on the accents of students from various other countries.

The first story in the series is about a student from France. The student, who is a member of the French club, has been working hard to learn the French language. He has been practicing his French for several months and is now able to speak it fluently.

The second story is about a student from Italy. The student, who is a member of the Italian club, has been working hard to learn the Italian language. He has been practicing his Italian for several months and is now able to speak it fluently.

The third story is about a student from Germany. The student, who is a member of the German club, has been working hard to learn the German language. He has been practicing his German for several months and is now able to speak it fluently.

The fourth story is about a student from Japan. The student, who is a member of the Japanese club, has been working hard to learn the Japanese language. He has been practicing his Japanese for several months and is now able to speak it fluently.

It's very important to be an exchange student, especially when you are in the A.F.S. program. I had the opportunity to study for one year in the best school of the city, Patrick Henry. Patrick Henry is just great with a good educational system and friendly teachers and students. It was a really good experience for me, because schools in Ecuador are completely different. The other part of my life here is my American family, the Siegels. Since the first day they have made me feel like a real member of the family. I love them as much as my Ecuadorian family. I want to thank you very much for making my year in A.F.S. something to remember.

Rocio Morla

I come from the center of South America. Asuncion is the capital of Paraguay, an inland country. The A.F.S. International Scholarship made possible a dream I had since I was 11 years old: to have a year of studies in the U.S.A. Later on I realized I was really lucky to come to Patrick Henry High, a new school where everything was different from what I was used to. I have met a lot of people and learned a lot about America's customs and life. I will miss Patrick Henry and all the friends I leave here. To all the people who have been very pleasant and helped me through the year all I can sincerely say is thank you very much and let's push a little harder together, walk together, talk together . . . dream together.

Luis Pettengill

Coming from Finland, I couldn't have spent my year in the U.S.A. in a nicer place than San Diego. Besides, that is what all the San Diegans have assured me. I've completely fallen in love with San Diego—its beauty, mild climate and friendly people. As to Patrick Henry, my stay here has offered me a wonderful chance to enjoy a completely different school atmosphere than in Finland and also study subjects that I would not have been able to study at home. I really appreciate my opportunity to get to know American youth and learn something about America!

Taina Hamalainen

My first adjustment to make on arriving in San Diego from Helsinki, Finland was getting used to the hot weather since I was coming from a country where the average summer temperature is 65°F. Also, Finland is green with many lakes and the desert-like country of San Diego is quite a contrast. I have met some interesting people and some who have been very helpful in making my stay in a foreign country a pleasant one.

Bel Canto Madrigal Singers

Bell Canto Madrigal Ensemble

The Bel Canto Singers is the honor vocal group of the school. It consists of 16 voices. We sing a variety of music ranging from the Renaissance era to the Contemporary music of today. You must be a junior and have some vocal experience in either choir or girls' chorus to be eligible for Bel Cantos. We travel around San Diego performing for Kiwanis, churches, schools and various other organizations. Although the organizations we sing for sometimes give donations to us, the purpose of the group is to inspire others through our music.

Members of Stage Band I and the Pep Band are: Robert Anderson, Sam Baris, Tim Brandt, Greg Brown, Sue Burnside, Bill Buzzell, Chris Calhoun, Bruce Dart, Barry Eichelberger, Harold Gibson, Bruce Haines, Mike Haines, Don Harris, Linda Herstein, Dan Hippert, Pete Jenks, Tim Jenks, Tim Knorr, Steve Lamb, Ira Liss, Stephen Luck, Robert Rix, Sharon Skidgel, Mike Steadman, Tom Taylor, Tom Tice.

Come to Life

The orchestra is composed of approximately 25 string players who are supplemented by 20 wind and percussion players enrolled in the band. The orchestra strings rehearse daily, and the full ensemble one night a week. It participates in school concerts, festivals, (having earned 4 straight "superior" ratings this year) and exchange programs with other schools.

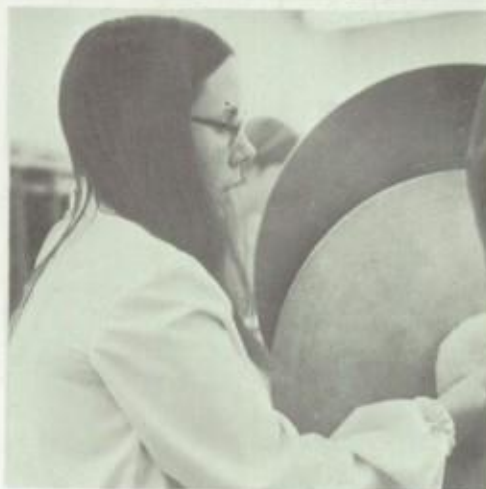

Stage Band I is a class which provides its members with the opportunity to play popular music, jazz, and rock. This same group of students becomes the enthusiastic Pep Band during away football games, home basketball games, and school rallies. The stage band participates in jazz festivals and contests around Southern California, and in May, 1971, in conjunction with the symphonic band and orchestra, travelled to La Canada, California for an exchange concert with La Canada High School.

Stage Band II is an extra-curricular jazz ensemble comprised of students who wish to acquire further experience in jazz. This band participated at the Southwestern College Jazz Festival in April of 1971.

Stage Band II: Chris Calhoun, Tom Cummins, Bill Buzzell, Steve Roca, Jeff Lash, Larry Taylor, Randy Grobe, Tom Taylor, Bill Ballard, Don Rosbaugh, Ros Maxwell, Dan McClure, Bob Price, Doug Stiles, Sam Baris, Teri McIntosh, Ed Betts.

The CONCERT BAND is also at the end of marching season. Its 50 members have weekly sectional rehearsals and two full rehearsals. Music of many styles and ages is learned and performed in concerts and festivals.

Concert Band

Symphonic Band

The SYMPHONIC BAND is formed at the end of marching season for the performance of concert music. After passing an audition, its members rehearse three times a week in preparation for concerts and festivals. The band received 4 straight "superior" ratings in the San Diego County festivals last March.

Henryettes Further Spirit and Pep

Henryette advisor Miss Audrey Tishon . . . a real sport!

May all your roads lead to joy and happiness

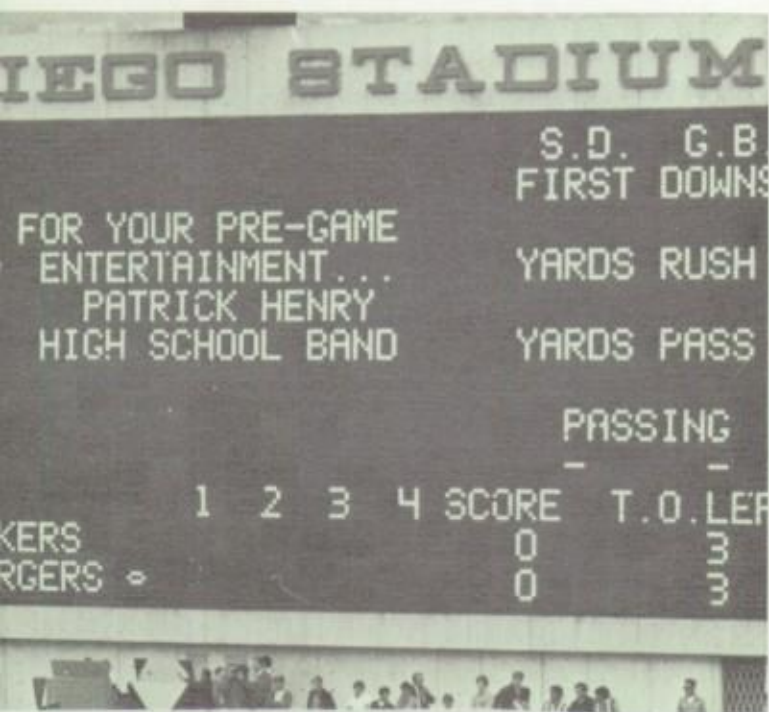

The Patrick Henry High School Marching Band, barely in its second year of existence, has already firmly established itself as the finest in our district, both in critical acclaim and competition results. In conjunction with the Liberty Belles the band performs at the Patrick Henry home football games, competitions, and civic parades. On October 12, our marching units performed for the San Diego Charger-Green Bay Packer game before a sell-out crowd of 53,000 and a national television audience. This is especially noteworthy because no other city band has ever been invited to play for the Chargers.

I guess it would be hard to call the season a success, because third place is never a success. Despite a winning record the year has been a builder for next year and the coming track season. Kent Taylor, only a sophomore, has gained valuable experience and showed nothing but the promise of a super star. Most valuable player Dave Mitchell, Ralph Klinger, and myself will be back next season. As a matter of fact everybody except Scott Hurst and Randy Rychen will return. These prospects make a league championship appear probable and defeat impossible.

Patriot Power

Patrick Henry football is something one won't quickly forget! It's the joy in winning and the sorrows in defeat. It's making close friends who will always stick beside you when you're up and most important when you're down! It really lets you find yourself, it can make you realize that if you give all you've got, you can do more than you give yourself credit for. It also teaches you to accept the things you aren't capable of doing, but to keep trying anyway.

The Agony of Defeat

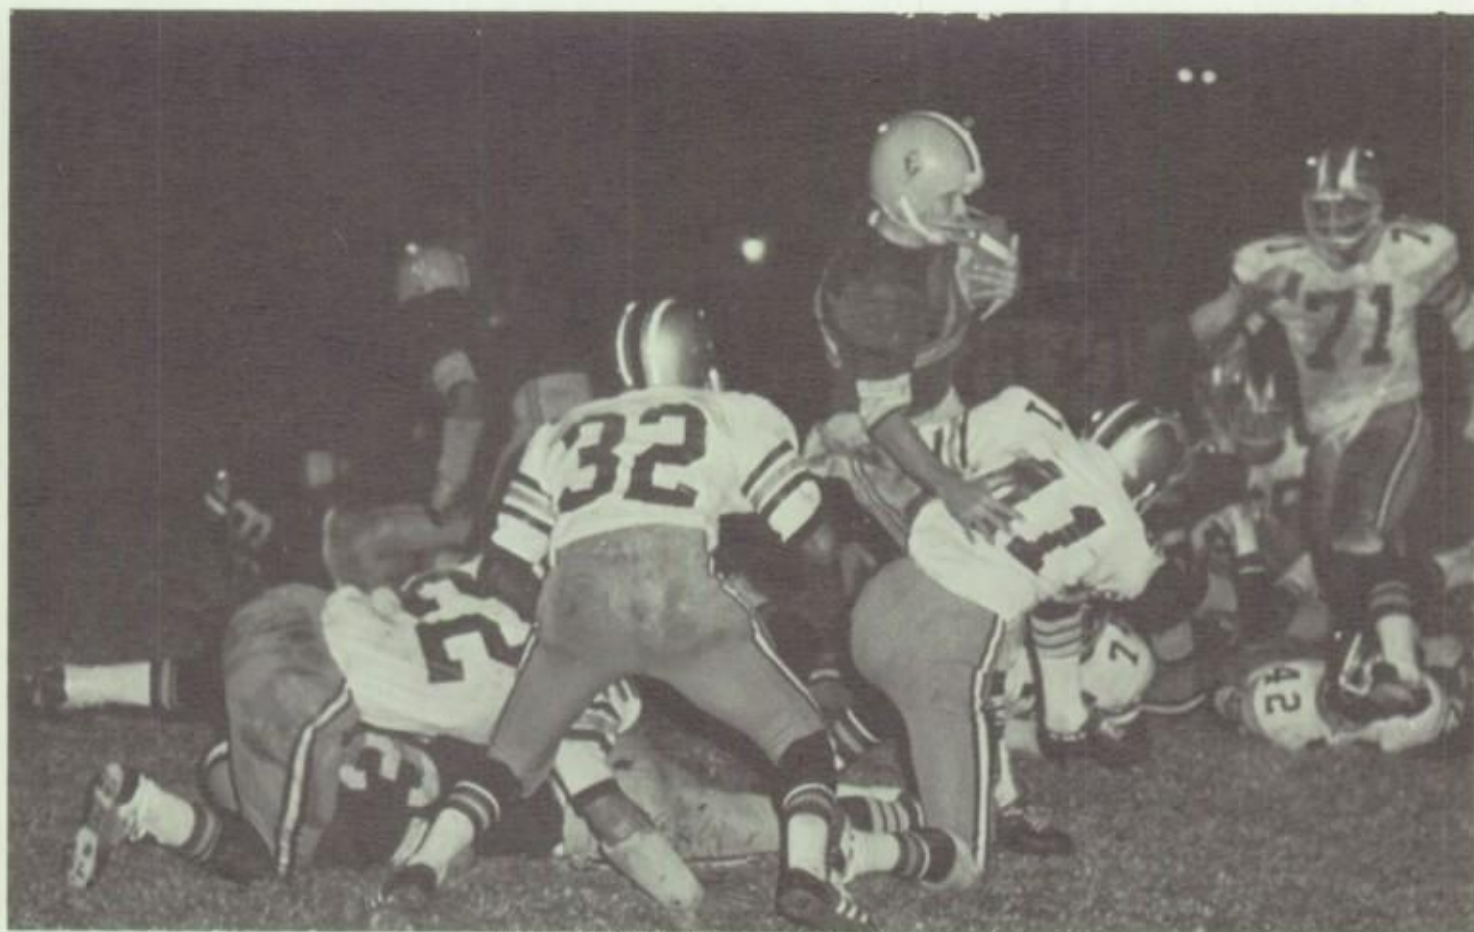

Football is a game where annexation of land is the objective of the game. Kids, young boys and men play to kill when that all important Sunday rolls around. Injuries are common and taken in stride. Football is a versatile sport where conditioning, strength and agility are key factors in the outcome of the game. The ball itself is a unique invention which has to withstand two teams ripping at each other for its possession. The people who play football are sometimes nice guys, but more often than not they are not. We in high school spend a little more than three months on the sport which lasts nine weeks, that's nine Friday nights. But through all the many days of pain and perspiration we can all truthfully say that we love and enjoy the game of football.

As a junior on the varsity team, I would have to sum up our season with this: To win it takes a "special" pride. Our football team has a great deal of pride. I could see this pride exhibited in the practices, but not that extra ounce of "special" pride needed to triumph constantly. I feel our defense was one of the most underrated specialty teams anywhere. Time and time again, our stubborn defense forced the opposition to give up the ball. When the offense was clicking, we scored. When the defense was tougher, we stalled. I think here, that "special" pride could have pulled the offense to a touchdown everytime it got the ball. I cannot say enough about our coaches. The skills, drills, and helpful hints they taught us created a healthy atmosphere, which I feel urged all the guys on the team to do their best.

The Thrill of Victory

This was a season of discovery. What had worked last year didn't this year. We found a new offense late in the season and put players in new positions. The potential of the team came late in the season and was highlighted by the defeat of Kearny. We had many juniors playing in key positions which with the aid of a fine junior varsity team should brighten our hopes for next year.

It is easy to forget that this year's squad was basically a junior team with 7 returning senior lettermen. The juniors played well and almost completely dominated our defensive platoon with 9 out of 11 positions. I know our seniors would have liked to capture the league championship in their final year, but we were just not destined to do so. The season turned out many fine, polished college prospects — one of the finest being our 3 year "hard rock" award winner, Ted Bellinger. The entire coaching staff feels that they have profited from their relationship with this year's team. We only hope that our players have learned the value of sacrifice, hardwork, and teamwork along with all the personal satisfaction of just having such great guys as teammates and friends for life.

In winning all nine of their scheduled games Patrick Henry's J.V. football team established a goal that other Patriot teams may equal but never surpass. Beginning with an 18-0 victory over Grossmont's J.V.s (a team which was to later lose only one other game) and finishing with a 14-0 shutout over previously undefeated Kearny High the Pats showed a remarkable ability to play as a unit, both defensively and offensively. Perhaps the highlight of a season filled with outstanding effort was the team's ability to completely dominate the second half against Morse after being deadlocked at half-time 14-14. The Patriots' aggressive blocking line, reacting to the splendid coaching of Carl Broselle, and led by Jim Blackwell, Mike Ernst, and Jack Miller helped the offense maintain ball control for 16 of the remaining 20 minutes while scoring twice enroute to a 26-14 victory.

Two and 24. Those numbers reflect the start of a dynasty. Our gymnastic team has captured two CIF championships and defeated 24 straight opponents. Although weakened by injuries to key people throughout the season, we dominate foes and found ways to win when the chips were down. This happened in the Crawford meet and Mike Botte fired the team to a come-from-behind victory. It was Mike who led the team through most of the season as team captain John Angus suffered a pre-season shoulder separation. However, the team had super depth with Scott Avelsdson, Jack Coulter, Eric Groeger, Ray Kalaquin, Greg Lee, Mark Halcon, Dave Sedgwick, Joe Teague, Ernie Weber, and Brian Carnett amassing points, Coach E. W. Runge's charges claimed county gymnastics supremacy. In CIF, the Pats scored 119 points and many who were responsible for those points will return next season. With Coach Runge at the controls of the Patriot gymnastics machine, their dynasty won't be short lived.

One of the few problems Coach Runge had with this year's gymnastic team was trying to decide who to put in each meet. Quite frequently the most heated competition was in the challenge matches between teammates, rather than against opposing teams.

This year's team took off where last year's championship team left off. The talent-packed club lead by captain John Angus and the team's most valuable performer, Mike Botte, extended their dual meet winning streak to nineteen victories. The only other problem the team had was injuries. A total of seven competitors were sidelined sometime during the season because of injuries. Broken bones by Tom Brooker and Eric Groeger and a case of tonsillitis to Mike Botte, late in the season, put doubt in some people's minds whether or not the team could defend its title. But juniors Mark Halcon, Gregg Lee, Ernie Weber, Ray Kalanquin, and seniors Brian Carnett, Scott Avelsdon, Joe Teague, who broke two school records, and Jack Coulter, who had a habit of winning only things like the Waterman Tournament and CIF finals, all performed consistently and enabled them to win their second straight Eastern League and CIF Championships.

The not so American Sport

Soccer is a new sport in the United States and is especially new at Patrick Henry. But now it's been started at P.H. and it will continue to grow in the years to come. Every member of our team worked hard for the good of the team. We almost didn't make it in the C.I.F. league because they said our team would be a waste of time and effort. We proved this wrong by taking fifth place out of eleven teams. Our coach, Jim Parker gave his time without pay to help our team and Mr. Cauchon is the only one on the P.H. faculty who would sponsor us. It was a good season with many favorable hopes for next season and the coming seasons.

Patriots Start a Winning Tradition

1970-1971 was a good season for Patrick Henry basketball, in fact it was the best ever. Our team was better than any previous for two reasons: a good attitude and consistent effort. I think our attitude was a result of our coaches and since we saw our chance for success our effort was equal to the task. We could have had a better year though. At our best we could beat anybody, but because of illness or lack of mental preparation, we lost to both good and poor teams. Our pre-season goal was to get into the Sports Arena and once there, win the CIF. Spectators also had an effect on our team. Large crowds gave us the support we needed in tough games and our school turned out well for our home games and in the playoffs. I think all of these factors helped our team realize much of our potential.

Assault On a Crown

Tom Farnham drives past Madison's Steve Brown.

It took us three years, but I finally believe that the basketball program we have been developing has started to take effect. Our stress on hustle, determination, teamwork, and the right attitude have paid off well as we finished this season with a 21-10 mark and a place in the CIF playoffs. We made it all the way to the Sports Arena, but we were not able to take the championship. I firmly believe that if our future players continue to excel under the program as well as this year's team, it will be only a matter of time before a CIF Championship is ours. It is a fitting reward to the fine fans who supported us during the season, especially in the playoffs.

Some schools never have the thrill of making it to the CIF playoffs and playing in the Sports Arena. But in only its third year, Patrick Henry was able to get into the playoffs via the back door. After whipping No. 2 rated Chula Vista in round one 68-58, the Patriots then knocked off undefeated Carlsbad, 60-44. In the first round of the Sports Arena action, the Patriots were eliminated by Grossmont, 78-59, and then lost to Madison in the consolation, 70-59. Still, center John Service led all scorers in the playoffs with 82 points, and the Patriot fans believe they'll be back at the Sports Arena next year.

J.V. Players Offer Promising Talent

From the very beginning, our team knew that we had a chance to go all the way. Most of us had known each other, and many of us had been on other basketball teams in the past. Coach Furrow said that we were big and strong, and that we had more potential than any other JV basketball team he had coached or seen. Our three losses just made us work harder on our game and we eventually went on to tie for first place. We players feel that Coach Furrow deserves all credit for our fantastic season. By looking at other teams we knew that it was our coaching that made the difference.

Patriots Grapple

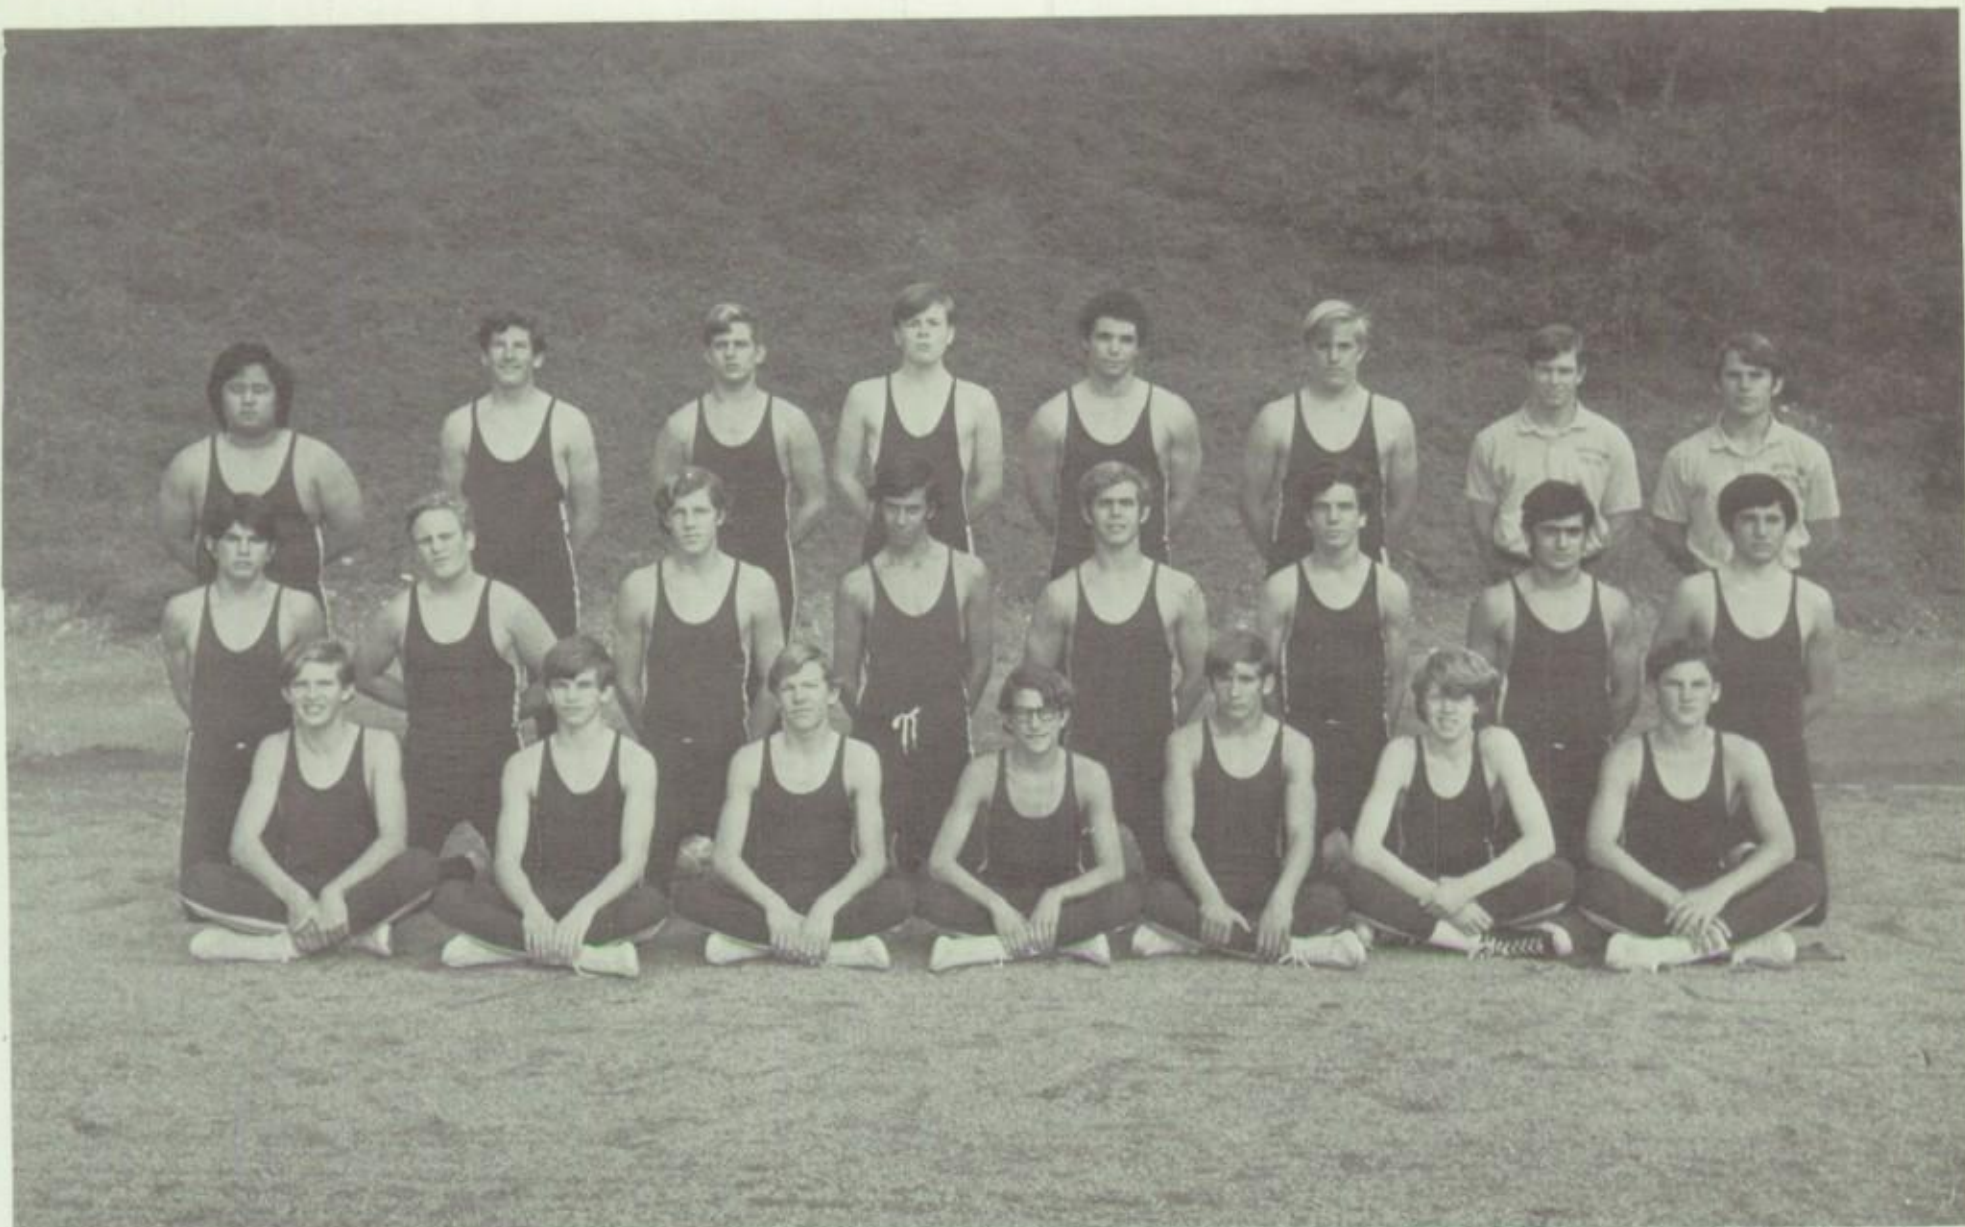

Wrestling was one of the brighter spots at Patrick Henry this year. Establishing themselves as a power in the Eastern League, Coach Boehmke's wrestlers clinched the championship by finishing the season with a 6-0 league record. The team's hardest match of the year was against Lincoln High when the squad had to defeat two tough adversaries—a good Lincoln team and the flu. Beating Lincoln 29 to 26, the Patriots managed to stay healthy enough to finish the season undefeated.

Patriot standouts this year were Team Captains Rob Orlansky and Van Kessler, both finishing the season undefeated in league and placing third in CIF. Other top wrestlers on the squad are Jim Matthie, Dennis Jones, Ernie Weber, Jerry Hemme, Steve Hill, John Chun and Dan Leslie.

To League Crown

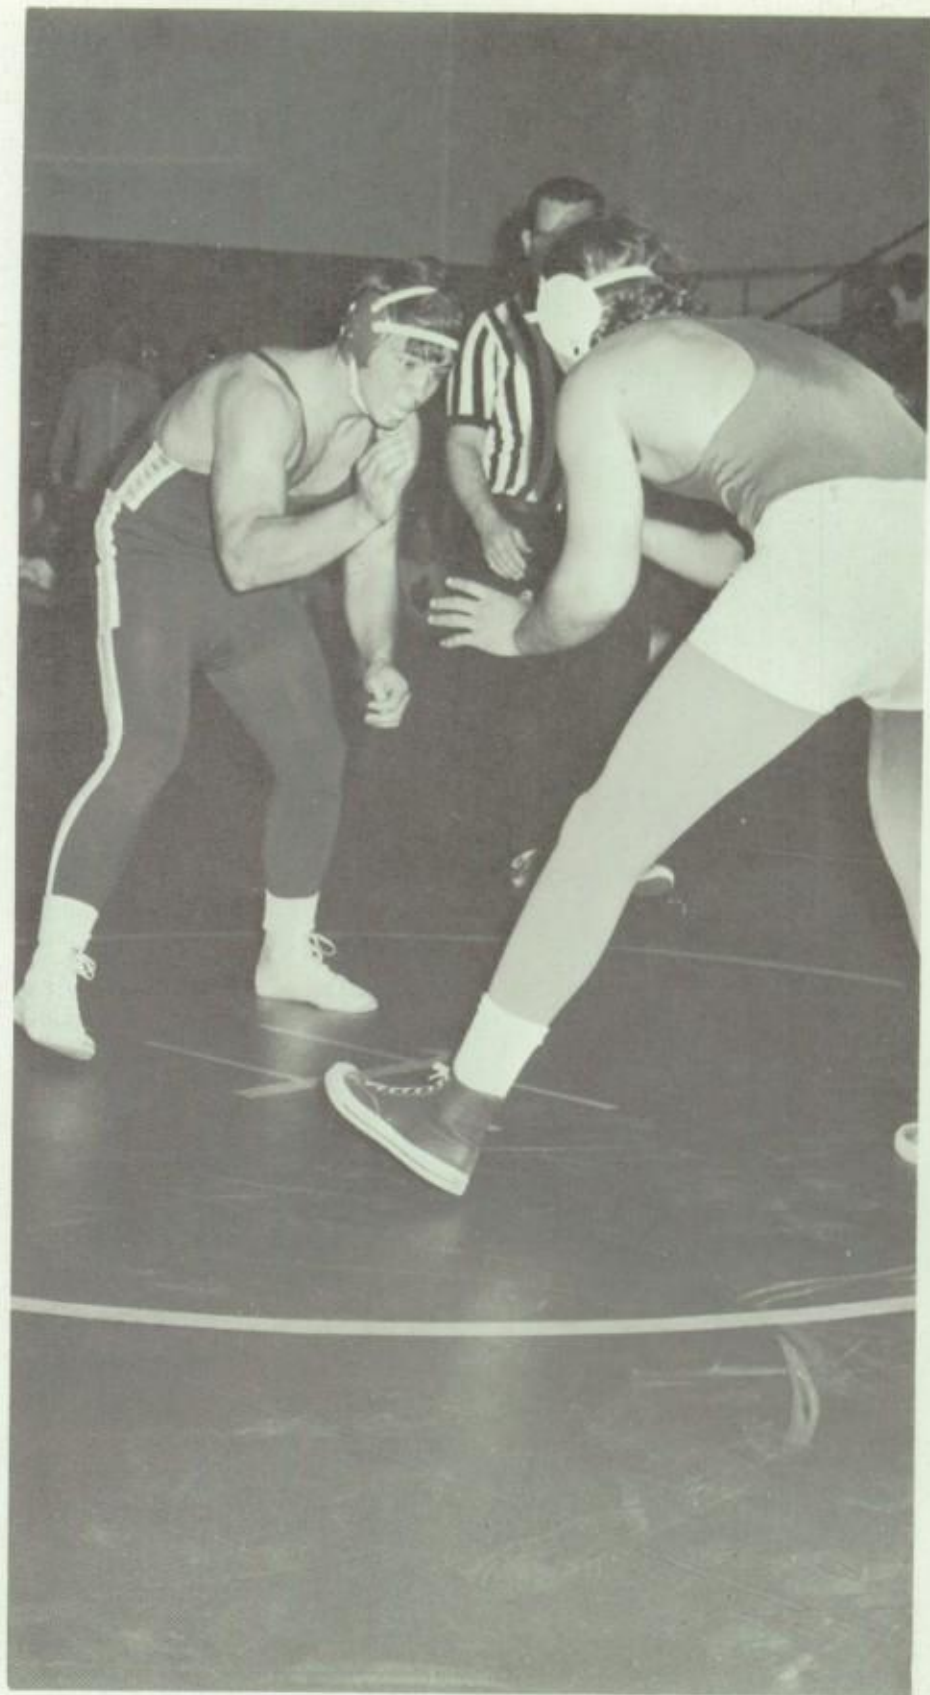

"Your break is over, wake up the meet is starting!"

After finishing second last year, the Patriot wrestlers set a goal for finishing first this year. With many letter men returning from last year the Patrick Henry wrestling team finished first in the Eastern League. Every school in the league produced excellent teams and threatened us every week. But the team pulled through each week to end the season undefeated. Again, next year most of the team will be returning to defend their title with an equal season.

Mermen Make Big Splash In '71

This year produced a small but strong team. We had a lot of depth in most of the strokes with a very small JV team. This year's team is built mainly of seniors that all started three years ago with our school's first existence. This year we started a fuller aquatic program with our Water Polo team. Although missing the league sign-up date, we played and won half of our exhibition games. About half of the swimming crew played on this team. Some outstanding swimmers with CIF potential are Allan Carroll, Jeff Ferber, Phil Grieser, Paul Jacobs, Bob Mossay, Kevin Murphy, Ron Nelson, and Dale Weldele. Our team is unpredictable and we have unlimited chances of qualifying other team members for CIF with a lot of work.

I don't think that many people know that there is a diving team at school. But the people who have tried it like it a lot. We've got a great team this year, for such little experience, second best in the county. I guess it's because the guys like diving so much that we're doing so well. Having a coach in our own age group helps considerably. He is Lou Alfeld, a diver from S.D.S. He helps us on his own time and it works out great. CIF will be the test of how much the practicing paid off, because the dual meets haven't been much of a challenge for us.

Coach Wendall Montague

I knew we had CIF at the beginning of this year. Next year I think we will win it if we can co-operate with each other.

Lance De Grazier

We have had a lot of competition this year. We've had so much that it becomes essential that new methods of coaching become necessary. Mr. Montague provides the team with his best knowledge and created a well mannered team. The team has had its conflicts with new systems Mr. Montague has installed, but things will work out well as possible for our team and we should win the CIF from now on.

The 1971 Patrick Henry tennis team was a prime example of teamwork. Plagued by injuries and early dropouts, the team's strength and morale was greatly in danger. The loss of players showed drastically in the early matches. But strong efforts by the coach and players enabled the team to take first place in the Eastern League. Larry Belinsky, the team's Most Valuable Player, played flawlessly all season and actually made up for the loss of personnel. Brad Rowe and Scott Standlee also turned in excellent performances. Tom Brown and Larry Fletcher and I played consistently well and greatly helped the team. The spiritual and morale leader of the team was Leroy Fundingsland. Leroy received the award as Most Inspirational Player for his undying faith in our team. Dave Claspill, the Most Improved Player, decidedly helped the team with his improved play through the season. All in a great team effort and encouragement from Coach Ziegenfuss saved our season from a great loss to a great success.

Hurdlers Overcome Obstacles

At the end of the 1970 season, a frustrated Patriot track team said, "Wait 'till next year!" With those prophetic words in mind, this year's "Hole in the Wall Gang" appears to be headed for league and possibly CIF titles. Supported by versatile seniors, Ron Blackwood and Jim Howe, in the hurdles and sprints, and a host of talented underclassmen in the distance and field events, the "Gang" has set its sights high and will certainly be tough to stop.

At this time, the Pats are flying high after smashing Hoover (101-17) and Morse (84-34), and have won the Large Schools division of the J.C. Relays, and don't intend to stop short of the CIF regardless of how the season does finally end. It will surely be one to remember as the "Hole in the Wall Gang" strikes again.

Varsity and JV sprinters and hurdlers from left to right: Mike Walker, Ken Naughton, Jim Howe, John Ratts, Kent Taylor. Row 2: Bob Peters, LaMontt Florence, Ron Moss, Bob Kephart, Doug Baldwin, Ron Blackwood, Peter Bataglia, Mike Terrell, Dave Martin.

... and finishing it is anchorman John Ratts.

Running in the mile relay is sophomore Kent Taylor.

Jeff Vivian shows the style which made him one of the top shot putters in the county.

Ron Blackwood participates in one of his many events, the long jump.

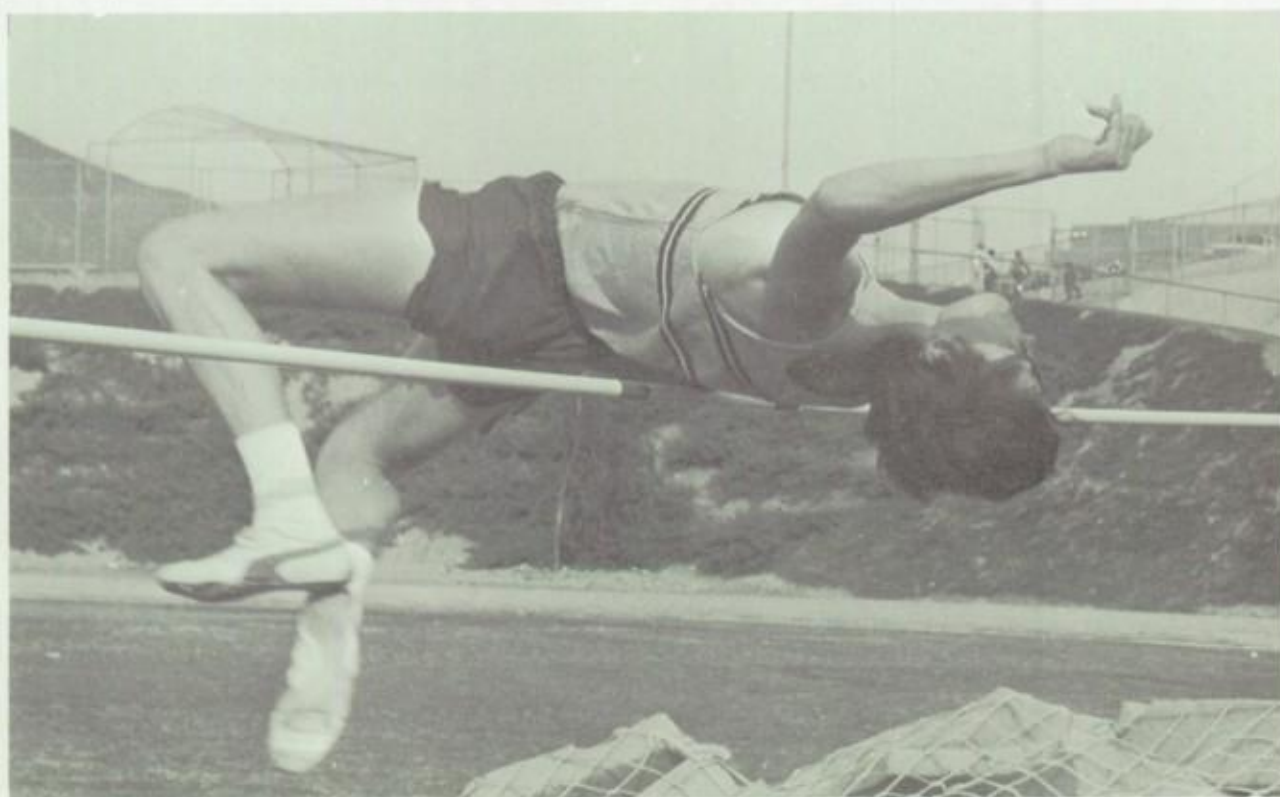

Rich Busley barely clears the bar at 12-6.

Field Events participants from left to right: Ross Maxwell, P. J. Lotter, Jeff Vivian, Van Kessler, Gary Grinder, Rich Busley, Don Flick. Row 2: Tony Patag, Jim Howe, Eddie Crenshaw, Ron Blackwood, Doug Baldwin, Jeff Hoyt, Ron Moss, Dave Martin.

Trackmen Play The Field

Varsity and JV distance runners from left to right: Jerry Hemme, John Robbins, Dan Cisco, Rod Tolley, Tim Wells, Mike King, Chris Johnson, Merritt Woodington. Row 2: Kent Taylor, Craig Soest, Bob Busley, Dave Mitchell, Ralph Klinger, Scott Hurst, Andy Black, Eddie Crenshaw, Gary McCormick, Dave Forsyth.

Distance Runners, They Go a Long Way

As the 1971 season closes, the performance of our track team must be viewed with a measure of success and failure. While the team won the Sweetwater relays and placed well in the San Diego Relays and the Indoor Games, we tied two crucial league meets, slimming our chances for the league crown. The mainstays of this year's squad were Jim Howe, Scott Hurst, Dave Mitchell, Doug Baldwin, Bruce Haines, Ralph Klinger, Jeff Vivian, Ron Blackwood, John Ratts, and Rich Busley who contributed many outstanding performances. Coach Runge's relentless pressure and determination had to be one of the most significant factors of this season's success.

John Robbins

Ralph Klinger shows his superior talent in the mile.

Gary McCormick and Bob Busley provided some excitement in this JV 880.

Scott Hurst, as usual, wins the 880.

Juniors Tim Wells and Dave Mitchell team up for a win in the 2 mile.

Andy Black consistently finished first in the JV mile.

Coordination and Charm Keep Gymnasts on Top

The '70-'71 season of girls' gymnastics, coached by Miss Joan Kahle and Mrs. Anneliese Marshall, saw a good year with high scores and even higher spirits. Competing on three levels, Beginning, Intermediate, and Advanced—the girls showed a strong Intermediate team going into the City Finals, and a fine Beginning team packed with potential and ready to compete for honors in the up-coming seasons. Although faced with a problem of quantity upon entering the City Meet, the Advanced Team, consisting of only six girls, more than made up their number in quality and determination.

Sherri Kobs

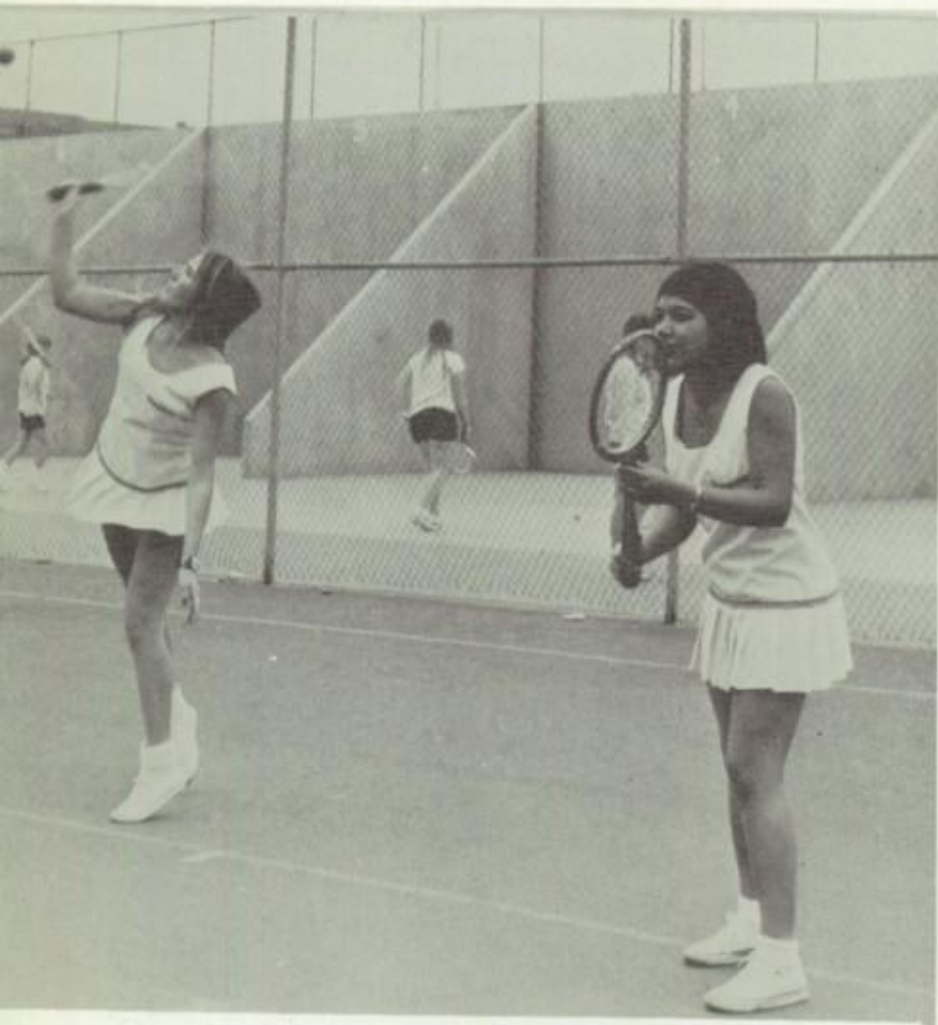

The team that kept the girls on their toes included Linda Noel, Miss Joan Kahle, and Mrs. Annaleise Marshall.

Patriot Beginning Gymnastics team included from left to right: Row 1 — Kathy Volpe, Dawn Crawford, Mary Thownsend, Debbie Kantor, Vicki Vail, Selina Landa, Nadine Usrey, Elaine Weaver. Row 2 — Nanette Tver, Ruthann McKie, Susie Gendron, Cathy Neill, Janet Reese, Kim Scroggie, Sandy Branin, Cindy Benoit, Valerie Steinauer, and Terri Gerber.

Girls Intermediate Gymnasts includes from left to right: Row 1 — Sherri Kobs, Mesia Roberts, Terri Paul, Toni Ceragioli, Barbie Meier, Kim Dougall, Tracy Thompson, and Judy Savage. Row 2 — Debbie Stephens, Sandra Davis, Paula Gandolfo, Patti Price, Kim Randolph, Anna Sillo, Norma Clark, Mary Van den Broek, Cheryl Sterling. The Advanced Gymnastic squad on the parallel bars involved Skosh Fillmore, Paula Smail, Debbie Skipper, Michelle Price, Jannelle Ward, Pete Sharbutt and Lynn Rebello.

Doubles team of Debbie Hall and Roseann Martinez swing into action.

1970-1971 Girls Badminton team from left to right: Row 1 — Karen Johnson, Shirley Kimball, Barb Atterbury, Drew Hummell, Bonnie Brower. Row 2 — Kay Debby Morris, Chris Sargent, Joanne Fornanca, Sandy Lund, Miss Donna Moore.

The "Love" set from left to right: Row 1 — Miss Mararet Minshall, Sue Boyle, Kathy McGovern, Linda Hietenen, Carol Hietenen, Kathy Fruchtman, Gwene Whitehead. Row 2 — Patty Ernst, Kay Palmer, Chris Sargent, Roseann Martinez, Debbie Hall, Terry Smith, Barb Atterbury.

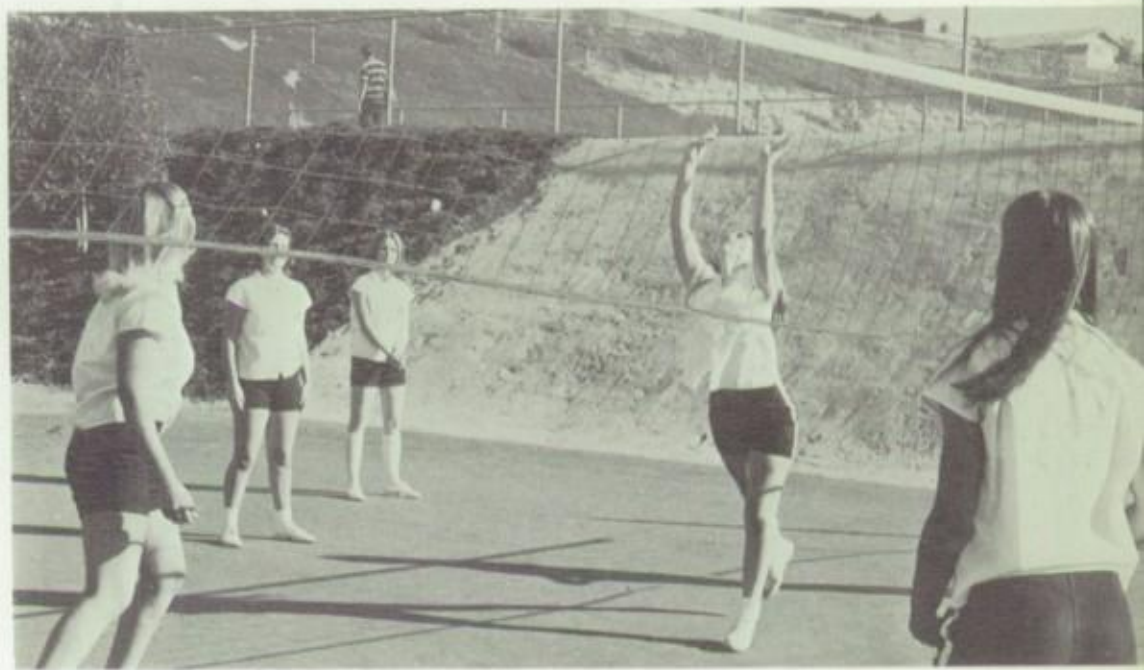

Debbie Hall, Kathy Fruchtman, Karla Barr, Gwene Whitehead, Palmer, Kim Carrington, Sue Boyle, Valerie Kisak, Amy Wind,

The Patrick Henry girls' tennis team has once again retained its status in the "top three" of the Eastern League. Since its existence, the members have given their intensive effort to the team's overall performance. Although many of the girls are graduating seniors this year, we will have some fine players returning for next year's season. As team captain, I would like to express my gratitude towards these people and say "Thanks" for your hard work and dedication. I wish you all the best in the future. Thanks again—

Chris Sargent

Netting Success

Patrick Henry Girls' Volleyball team included: Varsity — Janet Buckby, Stephine Crozier, Stephine Kiley, Laura McCord, Wendy Morrison, Cheryl Ritchey, Amy Wind. Junior Varsity — Karla Barr, Denise Andrews, Becky Byers, Sue Fry, Lesley Hardy, Liz Honecker, Grace Kernoski.

The swim team has proven to be a great success. The spirit has been overwhelming and everyone has really put out a lot of effort. We've had some hard workouts but in the end they've paid off. It's been a lot of fun, because of the places we've visited and the people we've met. The year as a whole has been challenging and exciting.

Mesia Roberts

P.H. girls' swimming team had a spectacular season winning the all-county CIF Relay Meet and winning six for three dual meets, and taking third in CIF finals. Captain Marsha Jordan and seniors Karin Walker, Pat Philbin, Kathy Gorham, Nora Malkind, Chris Redelings, Judy Kahn, Bonnie Ledford, Chris Reed, Annette Chartier, Vicki Christionson, Susan Bereit, Cathy Ryan and myself wound up our aquatic careers. Juniors, Allyn Furland, Kathy Brumfield, and Kim Harrington together with an excellent group of sophomores helped pull the season over. With the leadership of Mrs. Marshall and Coach Phillips the girls will take first in CIF next year so . . . WATCH OUT!

Linde Gaylord

1970 was a fairly good year for girls swimming at Patrick Henry. After taking first in the La Mesa relays and league finals P.H. had hopes of taking first in county finals, but due to an unfortunate incident we got third. Each girl played a big part in the success of the team. We couldn't have done as well as we did without the excellent coaching of Mr. Phillips, and Mrs. Marshall. Although we are losing many valued seniors, the incoming sophomores and newcomers give us hope of a total victory next year.

Kim Harrington

Modern Dance

Graceful and light-footed is Mrs. Johanna Weikel.

Poised are the girls modern dance troupe from left to right: Row 1 — Meg Bellows, Gay Coppedge, Cher Venn, Becca Dann, Cindy Allen. Mini-Gulls Foster Winning Traditions

It was a cold, cloudy January day when the girls' Field hockey coach, Miss Margaret Minshall and Captain Phyllis Ford led the P.H. hockey team down the P.H. field for their first game. The opponents were the experienced Crawford team. Rumor had it that they were a pretty good team supported by the fact they beat the P.H. team last year. This year however, P.H. proved to be the better of the two, with a score of Patrick Henry 3 to Crawford 2! It was a promising start for the team. One week later Madison came to the Patriot field. The game was rough and the score was close but P.H. lost. Miss Minshall worked hard to perfect a team that could play well and win. Fourteen girls made the team through their hard work and a few injuries. We got a late start in the season but all found it a rewarding experience.

FOOTBALL

3-3 League

5-4 Overall

Pre-season favorites to win the CIF by the Evening Tribune, the Patriots lost their opener to eventual No. 2 seeded Grossmont, then we won three in a row. A tough loss to St. Augustine by one point brought on a losing streak, but the Green and Gold finished strong with wins over Crawford and Western League Champ Kearny. Tony Patag paced the Patriots in almost all offensive departments. The mustachioed back rushed for 698 yards, and caught 12 passes. He also led the team in scoring with six touchdowns. Junior Darrell Garrett led the team in passing while running backs Scott Andrews, Gary Davidson and Wayne Bauer complemented Patag in the backfield. On defense, nine juniors started most of the games, making next year's picture very bright. But senior Ted Bellinger was the key, topping the team in defensive points and making Eastern League and CIF All-Star Teams. Other All-Leaguers were tackle Van Kessler, defensive end Rick Savoy, center Steve Stewart, and Patag.

GYMNASTICS

6-0 League

9-0 Overall

Coach Elmer Runge and his gymnasts have made the outcome of the gymnastic season a foregone conclusion. Going through their second straight undefeated season and repeating as CIF Champions, the team has firmly established itself as the powerhouse of the San Diego Area. Most Valuable Player was Mike Botte, who won best-overall awards in many tourneys. Some of the most outstanding members of the team were Jack Coulter, Mark Halcon, Ernie Weber, Greg Lee, and Eric Groger. Botte, Coulter, Weber, Lee, and Groger all qualified for the CIF. With a large quantity of returnees next year, Coach Runge will attempt to run his string to three, and he just might be successful.

CROSS COUNTRY

4-2 League

6-3 Overall

For the second straight year the Cross Country team captured third place in the Eastern League, but the future appears optimistic as only one letterman, Scott Hurst, was a senior. Hurst was voted team captain by his teammates while junior Dave Mitchell was voted Most Valuable Player. Juniors who will return in quest of a championship next year are Tim Wells, Rod Tolley, and Ralph Klinger. Sophomore lettermen who'll try it again include Kent Taylor and Dave Forsyth. It all adds up to a promising year in 1971 for coach Bob Imlay.

SWIMMING

Due to a loss to swim power Crawford, the mermen seemed doomed once again to finish as the bridesmaids of the Eastern League. But the time is coming when they will surpass the Colts and take the Crown. The loss to the Colts did not hamper the Pats' success against other schools. Coach Phillips feels that Allan Carroll, Phil Griesner, Paul Jacob, Kevin Murphy, Ron Nelson, Mike Slovacek, and Dale Weldele are the best swimmers he has and he is hoping that the 12 underclassmen returning next year will be able to wrest away the elusive Eastern League Crown.

TRACK

Coach Elmer Runge feels this year's track team is the best ever put forth by Patrick Henry and a quick glance at the local paper can show you that the Patriots have leaders in most of the events. At press time Jeff Vivian led the county in the shotput while sprinter Jim Howe continued to be a forerunner in his events. Hurdler Ron Blackwood has doubled in the 440 relay along with Ken Naughton, John Ratts, and Jim Howe while Doug Baldwin has set a new school record in the high jump. At press time, the Patriots position was questionable, but a win in two key meets against San Diego and Lincoln would wrap up the Eastern League crown.

TENNIS

Through the first half of the season, the Patriot tennis team was undefeated with a sparkling 5-0 league mark. Coach Ziegenfuss felt that if they could defeat the Crawford Colts when they play again that the Eastern League Title would be theirs. The Patriots, of course, won the first meeting between the two. This could be the start of a tennis dynasty as the top netters are all underclassmen. Larry Belinsky, a junior, is the top racqueteer on the squad and sophomores Brad Rowe and Scott Sandler give tennis followers hope for continuing success in following seasons.

BASKETBALL

7-5 League 21-10 Overall

School records in basketball died early in 1970-71 as the Patriots molded their best record ever. Despite a third place finish in the East, the team still made it to playoffs by vote, and then became the Cinderella team by thrashing No. 2 ranked Chula Vista and No. 6 Carlsbad to gain the semis at the Sports Arena. There the Patriot mysticism ended with a loss to Grossmont, but the season was still termed a success. The Patriots shone in tournament action by winning 3rd Place in the Kiwanis Tourney and taking the El Centro Elks Championship. The stars were many, but the top players had to be 6-9 John Service, who obliterated all school scoring and rebounding records, captain Ted Tibbs, who threaded the needle for over 150 assists, forward Tom Farnham, junior guards Gary Cady and Andy Cylke, and reserve forwards John Lewis and Bob Reed. All-League picks were Service, Farnham, Tibbs, and Cady, while Service made the CIF team.

WRESTLING

6-0 League 9-0 Overall

Playing their greatest season ever, the Wrestling squad won their first Eastern League Crown and went through their schedule undefeated. The pivotal match of the season was Crawford where five regulars were sidelined with illness. But the team still thumped the Colts 36-13. All-League picks were Jim Matthie and Van Kessler while Kessler and Orlansky qualified in the CIF. Paul Vehar was voted Most Inspirational by his team mates while Steve Bowles took Most Improved. Kessler made his sweep complete by coping MVP laurels and Orlansky was tabbed as team captain.

SOCCER

5-4-2 League

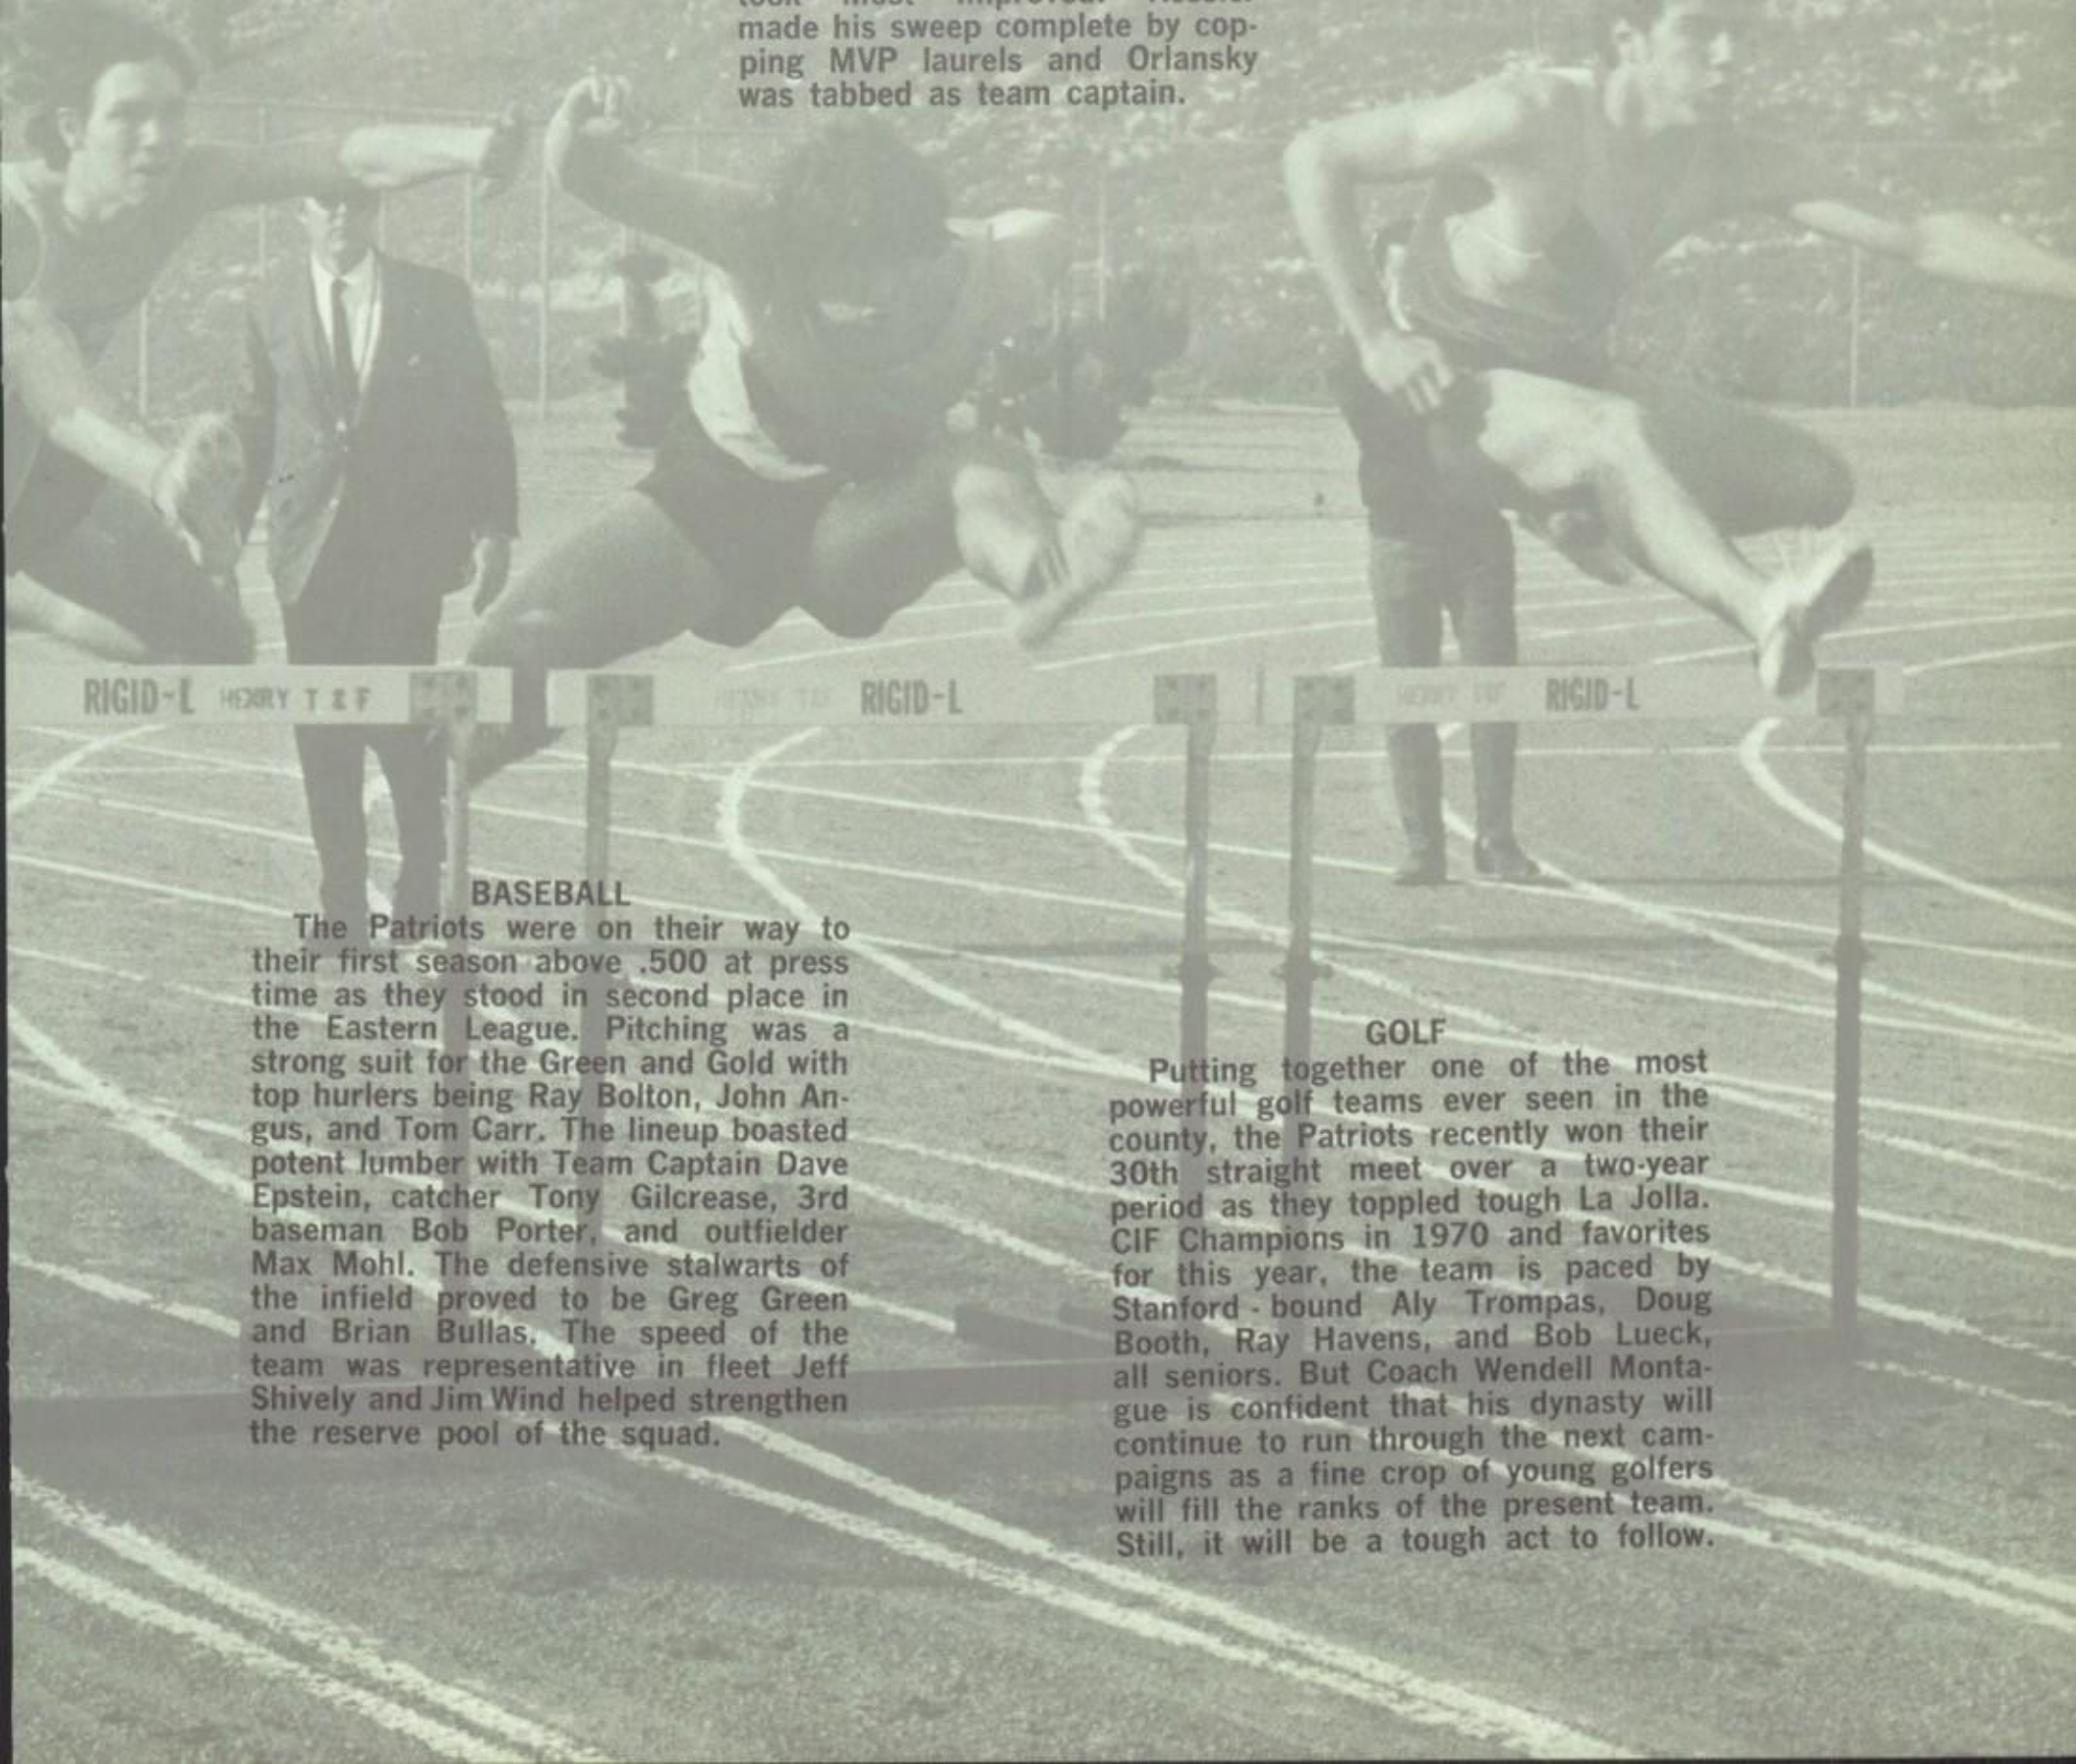

In the first year of operation, the Patriots did surprisingly well as they finished fifth in the CIF Conference and challenged for a playoff spot until the last week. Under the guidance of part-time coach Jim Parker, the team scored an average of three goals a game. Biggest point getters were John Choukair with 10 goals and Nabil Bandak with 8. Lucho Pettengill paced the team in assists while on defense, halfback Andy Puleo thwarted many attempts and goalie Mike Tyburski batted away enough shots to accumulate a 2.5 goals-against average. Besides Bandak and Choukair who made the second All-League team, scoring aid was provided by Mike Matalon, Glenn Sawade, and Dave Tice.

BASEBALL

The Patriots were on their way to their first season above .500 at press time as they stood in second place in the Eastern League. Pitching was a strong suit for the Green and Gold with top hurlers being Ray Bolton, John Angus, and Tom Carr. The lineup boasted potent lumber with Team Captain Dave Epstein, catcher Tony Gilcrease, 3rd baseman Bob Porter, and outfielder Max Mohl. The defensive stalwarts of the infield proved to be Greg Green and Brian Bullas. The speed of the team was representative in fleet Jeff Shively and Jim Wind helped strengthen the reserve pool of the squad.

GOLF

Putting together one of the most powerful golf teams ever seen in the county, the Patriots recently won their 30th straight meet over a two-year period as they toppled tough La Jolla. CIF Champions in 1970 and favorites for this year, the team is paced by Stanford-bound Aly Trompas, Doug Booth, Ray Havens, and Bob Lueck, all seniors. But Coach Wendell Montague is confident that his dynasty will continue to run through the next campaigns as a fine crop of young golfers will fill the ranks of the present team. Still, it will be a tough act to follow.

Juniors Plan Groundwork for

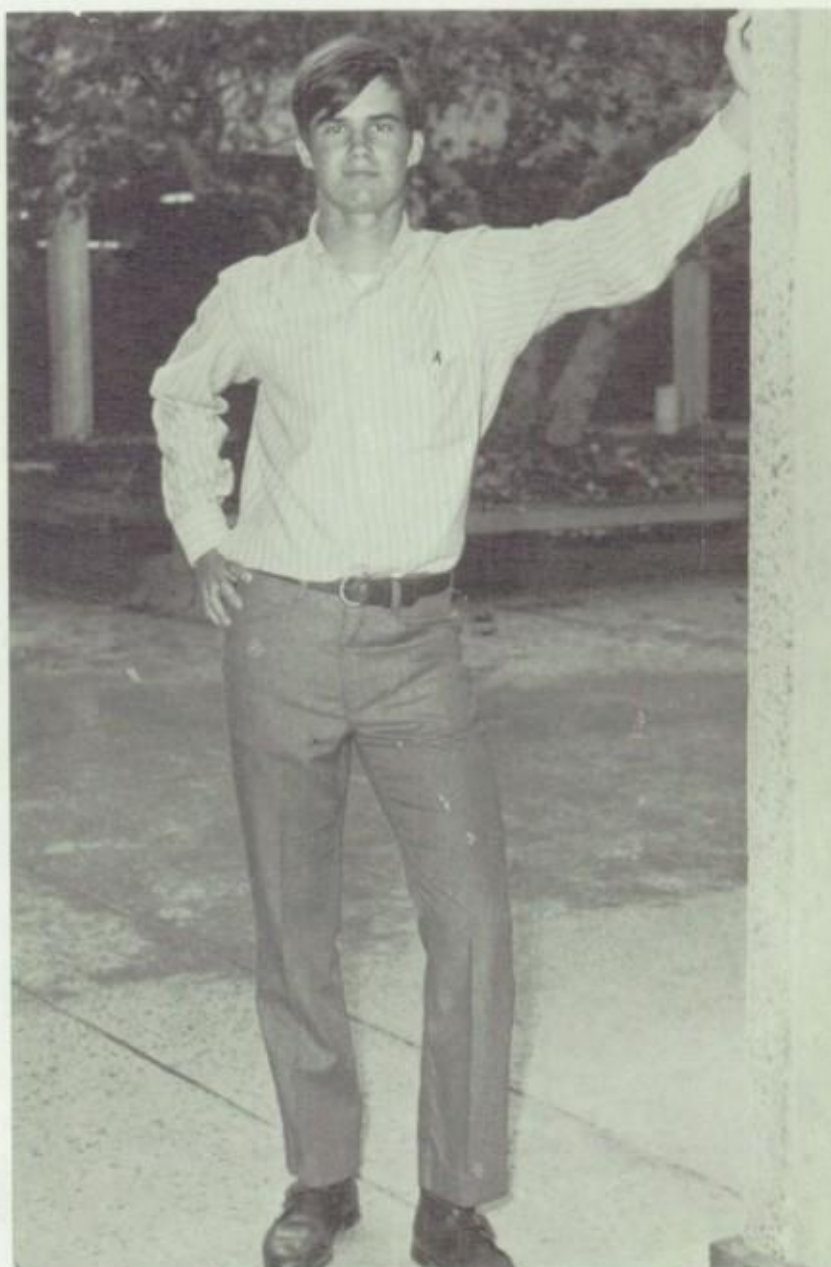

I've found that the duties of the junior class cabinet are primarily limited to planning fund-raising activities and events of popular class appeal, such as the junior prom. Each office in the cabinet is as flexible as the elected officer wants to make it. They are not restricted to jobs which the title of their office implies. I would like to see our cabinet gain a little more influence in school affairs and become more than just an activity planning committee.

R. M.

THANK GOD it's OVER

If one advances confidently in the
direction of his dreams, and endeavors
to live the life which he has imagined,
he will meet with a success unexpected
in common hours. Thoreau.
What is Essential is invisible to
the eye Budha-

V.S.

Never Fear

Mama Lou's
is here!

Do it Tomorrow, you've
MADE ENOUGH MISTAKES
Today. L. M.

Yea Yo-hi!
I know that you believe
you understand what
you think I said
But
I'm not sure you realize
that what you heard is
not what I meant. MB

MR. REUSS'S GUIDANCE MOD

J. R. - Together we are.
There is no way to change
But one thing we can do,
is try to understand,
and teach each other how to be,
the kind of people
that makes love true M. J.

The most I can do for my
friend is simply be his friend.
Keep 3 chains in your house:
1 for solitude, 2 for friendship,
and 3 for society.
... A man thinking or working is
always alone, let him be where
he will. Henry David Thoreau

Best luck to all of you.
Remember, the trick in life
is to find you own level
and live it to the fullest.
To the best guidance mod I ever
had. Now I lay me down to
SLEEP, MY BOMB PROBLEM
CELLAR'S GOOD AND DEEP
IF I AM KILLED
BEFORE I WAKE - REMEMBER
GOD IT'S FOR YOUR SAKE

The guidance mod section is designed to
give the student body a chance to participate
in the production of Encounter III, so that it
will be a book not produced entirely by the in-
dividuals comprising its staff. The space is
purchased by the guidance classes represented
in these pages and they are given a free hand
at expressing themselves through pictures, art,
and writing.

Guiding Lights

Patrick Henry is really a very unique comprehensive high school. Most senior high schools teach to groups of 30's. This school teaches 3100 groups of one. Students who have been used to "hiding" in a group all of a sudden discover themselves "naked" and exposed for what they are—procrastinators or doers. Responsibility for self is the name of the game. We consider our increasing number of converts as indicative of success!

Terrific Tongue Teachers

All students who have a desire and an interest to study a second language should do so. Accomplishment depends directly on the time and effort invested. Knowing a language seems to be a matter of mastering basic habits of reacting to the sounds, structure, and vocabulary of the language. Since the U.S. has become a world power with interests all over the globe, there is a desperate need for Americans who speak one or more of the 2,500 different world languages.

Students today have many decisions to make. They need the assistance of many well-informed persons. The major task of school advisors is to help each student to plan a yearly program of studies as well as to develop a long-range plan, keeping in mind the ability, needs, and interests of the student. In addition to advisors, Patrick Henry is assigned district personnel to work in specified areas. These services include two district counselors, a school psychologist, and a speech therapist.

Henry's Literature Lovers

The English Department has been set up to measure the effectiveness of independent study. We are convinced that in the past teachers have held students back by telling them what, where, and how to study. At the same time, we do not believe that students automatically know what will be worthwhile to them. We want students to use their time wisely, but we want **them** to decide what wise use of the time is.

History Unfolders

The 10th and 11th grade Social Studies Department's instructional program operates in conjunction with the 10th and 11th grade English Department and shares facilities with them. Our block of work centers has been divided by function with each room devoted to one particular student need. Students choose what facility is needed to accomplish the particular objectives they are working on and sign into the room

best fitted to meet that need. Large and small group presentation is conducted as follows: The 11th and 10th grade teachers make presentations to all students enrolled in their courses each week. The English and history departments share the small groups in that between the two departments every student will see a history teacher every other week and the same with an English teacher.

Continental's Culture Corner

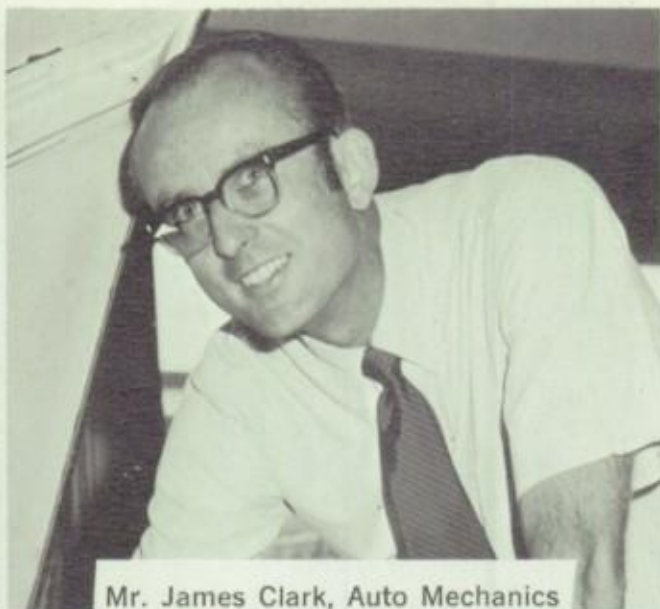

This Year one of the goals of the Art Department was to develop an awareness in the student to appreciate art in all forms as it exists in the world around him. In each individual there is an undetermined

amount of creativity and we strive to stimulate the development of this creative ability while helping the student to understand and interpret his personal art expression, and the art expressions of others.

Industrial Arts is made up of six smaller departments in a sense, because each shares work independently. The six areas include drafting, auto mechanics, metal working, woodworking, electronics, and graphic arts. Graphic arts has expanded and is now working with the art department in developing a course called Visual Communications Education. Graphic arts, woodworking, and auto mechanics are using the large group instruction approach for the first time at Patrick Henry. Eleven hundred students are involved in the industrial arts department every week.

WHAT IS IT LIKE BEING A T.A. AT PATRICK HENRY HIGH SCHOOL?

Being a T.A. is having oranges thrown at you while trying to stop food fights in the quad.

Being a T.A. is getting almost run over in the parking lot and busting your clip board to boot.

Being a T.A. is asking kids for their passes out in the quad during 4th mod.

Being a T.A. is wearing your parka on cold winter mornings in the quad.

Being a T.A. is walking into a new study hall and finding out none of the students have American names.

Being a T.A. is getting your prescription sun glasses ripped off and then being told by four young damsels it was only a April fools prank.

Being a T.A. is never seeing the athletes and school government leaders in the restrooms and wandering what special self control they have.

Being a T.A. is spending more time in the restroom than you ever did when you were in school.

Being a T.A. is flushing the commodes a thousand times a day.

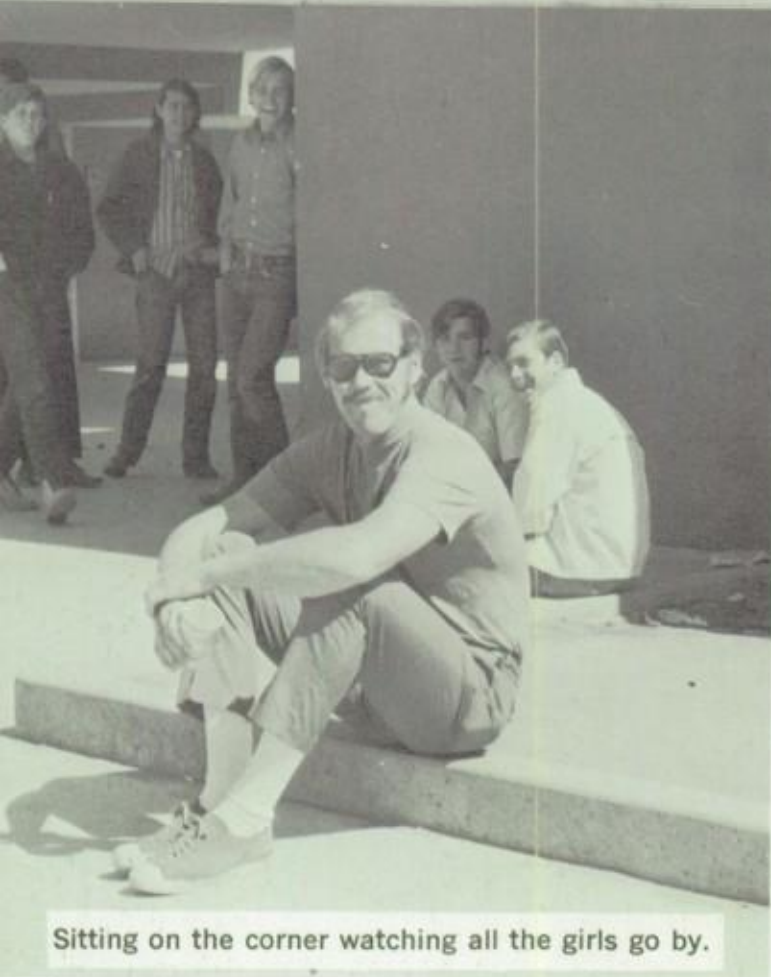

Being a T.A. is getting flipped off and telling yourself it is only the Hawaiian good luck sign.

Being a T.A. is being told by the other T.A.'s that the girls are telling wild rumors about you in the girls restroom.

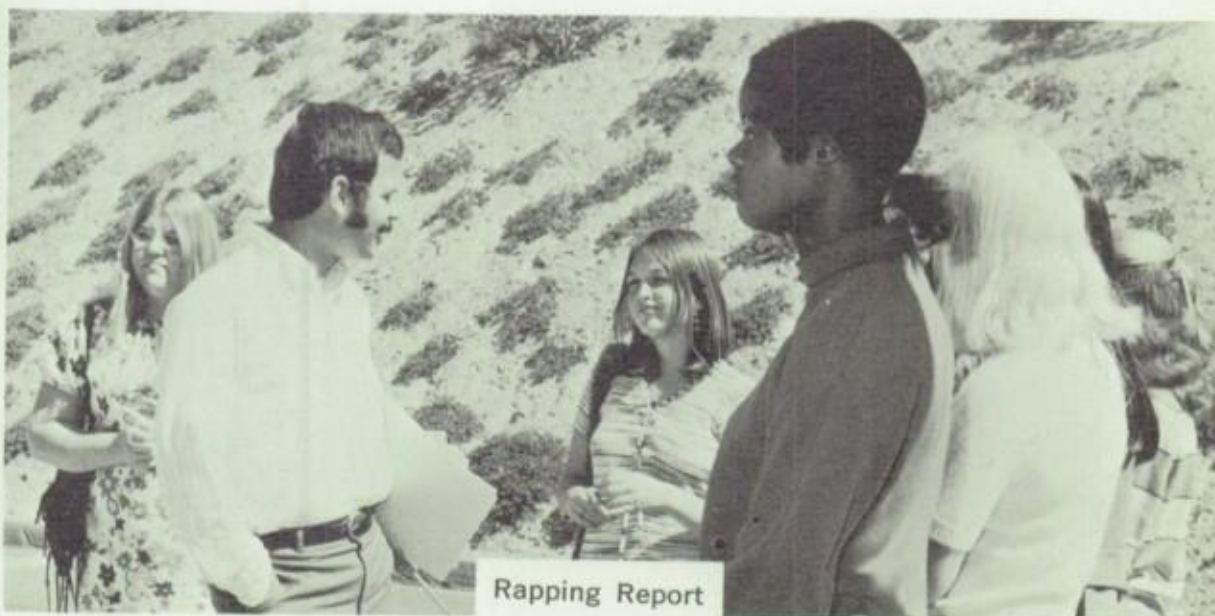

Being a T.A. is getting yelled at over at the river during Easter vacation.

Being a T.A. is asking a student minister to stop his services in the restroom stalls and to move out side. Amen.

This year's math and science programs are an attempt to make allowances for individual differences in ability and motivation, with learning packs serving as guides to the textbooks. The student is assigned to a work center where he works at his own pace until he feels that he has mastered the objectives for a particular unit. Before progressing to the next unit, the student must demonstrate to a teacher a knowledge of the basic fundamentals of previous units.

Boy's and Girl's P. E. are designed to have the same set of objectives. The eleventh and twelfth grade classes are 70% coeducational, emphasizing the life-time sports. The tenth graders have a program of five activities with which they are not familiar. The boy's department does offer contact sports in P.E. classes, such as football and wrestling, which are not co-ed, while the girls have modern dance and field hockey. We try to instill in the students the value of physical activity for all of their lives.

Steering Committee

Driver Education consists of two distinct areas of instruction the classroom phase and laboratory phase, otherwise known as Driver Training. Mechanical manipulation of the steering wheel, brake, and accelerator are the easy parts of driving a car. Difficulties occur when the student driver is confronted with making a selective response to a specific traffic situation. The extra brake on the instructor's side of the car minimizes the anxiety of the instructor. Although the risk is minimal, anxious moments occur for the brave students in the back seat.

Our "Type of People

From an original staff of six full time and one part time position, the secretarial staff has grown to 13 positions. In the meantime, our dedicated troupe of librarians

is constantly improving on the library system in order to provide learning materials for students and faculty, and to assure the most effective use of these materials. Our school nurse keeps busy tracking down health problems and serving as a source of information and counsel to faculty and students alike. Because of these ladies, we have a happier, healthier, and more organized school.

We, on the custodial staff would like to take this opportunity to thank the many students who displayed maturity and thoughtfulness throughout the year, in helping us keep Patrick Henry High School a cleaner and more enjoyable school in which to study.

Mr. Robert Kennedy

Your cafeteria staff strives for an effective school lunch service program that provides tasty, nutritionally complete meals to pupils and teachers and to promote good morale in school and community. Tell it like it is — the public is awakening to the nutritional needs of children and we accept the challenge. Both administrators and teachers have proven our service to be an asset to the total educational endeavor because it improves attendance, attitude, and performance. Our aim is to make it a part of the school curriculum, to implement a workable program, under the school's direct influence, to provide both the nourishment and knowledge of eating habits.

Keith -

I Don't know why I saved this whole ^{page}, because I know I won't be able to finish it. It's been real nice getting to know you, although we only had 1 class. Band !! Yek. I know wonder, that we all didn't turn into freaks. I wish we could-of gotten to know each other ~~more~~ ^{better}. Maybe next year. Do you remember when ~~we~~ went T. Ping Paul's house and they came home. Oh by the way are you still sore about the T.P. job you received lately, I hope not. I want to make this two pages, but I don't know. I don't know if you remember this or not. Remember when I made Paul his peanut butter and honey cookies. we ended up using them for frizzies. I hope you have alot more classes ~~than~~ with me, then this year. Oh, Thank you for buying me the piece of Strawberry Pie. I wish we could of done alot more things together. So I could write alot more. I don't even know if I'll make it 1 page never less two. Have a real nice summer and I hope to see ya next year. Oh by the way, you might be receiveing more T.P jobs on your lovely house this summer. All those nice trees & plants. Please don't leave your windows down in your car. you might receive shaving cream or eggs in the back seat. Billie & I are starting something new soaping windows.

Love -

Tam
